

**WE NEED YOUR OPINION BY 8/21/2020**

Construction of the Drought Pipeline Project will occur along the paved bicycle path between between early 2021 and mid 2022. After construction, a natural walking path will be installed alongside the restored paved bicycle path. The new walking path will either be adjacent to the paved path or offset and meandering.

Please visit [www.phoenix.gov/parks](http://www.phoenix.gov/parks) and complete a short survey no later than Friday, August 21, 2020.
