

The City of Phoenix has contracted with SAK Construction to work on sewer upgrades in the area of 20th Street and Glendale Avenue.

On **Saturday, March 26 and Sunday, March 27, 2022** the north side of 20th Street & Glendale Avenue will be closed for installation of sewer upgrades necessary to protect the new drought pipeline.

### Traffic restrictions:

- North side of 20th Street and Glendale Avenue closed. Use Myrtle Avenue and 22nd Street for residential access.
- Work hours on Saturday and Sunday are 7 a.m. - 5 p.m.
- There is possibility of odor and steam associated with the sewer work. See reverse for more information.
- 21st Street at Glendale Avenue closed. Resident access only.
- Through traffic on Glendale Avenue will be restricted to 1 lane in each direction.
- Speed restricted to 25 miles per hour in the construction zone.
- Traffic restrictions on 20th Street & Glendale Avenue will be in place Saturday and Sunday only. Traffic restrictions on 21st Street and Glendale Avenue will be in place 24-hours a day, 7 days a week.
- Resident access will be maintained.
- Water service interruptions are not expected.

### Drought Pipeline Project:

Phoenix Water is building new pipelines and pump stations to ensure all customers will have access to safe, clean and reliable drinking water for generations to come. These improvements will help to move water supplies during water shortages along the Colorado River.

- Working hours will primarily be May 1 – September 30: 6 a.m. to 4 p.m., Monday through Saturday and October 1 – April 30: 7 a.m. to 5 p.m., Monday through Saturday. Some construction may require night or Sunday work.
- Business, residential and pedestrian access will be maintained.
- No on-street parking will be allowed in the construction area.

Construction schedules are subject to change for a variety of reasons, including weather and personnel/material availability. The City of Phoenix and its contractors recognize the inconvenience of construction and we thank you for your patience and support!
