

## U.S. Airways Center Suite Program

The City of Phoenix offers a unique opportunity for youth to attend events at U.S. Airways Center. Through the U.S. Airways Center Suite program, youth groups are invited to attend an event such as a Suns game, a concert, or other activity in a suite at U.S. Airways Center. Light refreshments are provided for the group.

Here's what you need to know:

- ❖ For most events, a total of six tickets are made available. One adult chaperone **must** be part of the group. Chaperones may **NOT** take their own children. Even if your child is a participant of the center, school, or group that is attending the event.
- ❖ There is no cost to attend the event, other than parking and any additional food the group may choose to purchase.
- ❖ Additional tickets **cannot** be purchased for the spouses or guests of the adult chaperone.
- ❖ We cannot guarantee that specific events will be made available for the U.S. Airways Center Suite program. Requests are filled on a first come, first served basis.
- ❖ Ideas for awarding the tickets include attendance awards, holding an essay contest, random drawings, incentives for completing homework, etc.
