

City of Phoenix

Grant Opportunities for City of Phoenix Based Organizations

This chart outlines grants funded through the U.S. Department of Housing and Urban Development and administered by various City of Phoenix departments. Program examples and city department contact information is provided. The chart is not intended to be a comprehensive list of all types of eligible activities. Activities, priorities and sources of funds and awards are subject to final approval by Phoenix City Council. Contact the department for additional information concerning the proposal criteria, funding process and eligible activities.
