Significant Industrial Users in Full Compliance with Pretreatment Requirements in 2010

The City of Phoenix is responsible for operating an industrial wastewater control program. A part of the program is issuing permits, which govern what can legally be discharged to the sanitary sewer system, to Significant Industrial Users.

Based on the data from Significant Industrial User reporting and City of Phoenix sampling and inspections the following Significant Industrial Users, operating in the City of Phoenix during 2010, were in FULL COMPLIANCE with Industrial Pretreatment Requirements. Full compliance by these Significant Industrial Users result in cleaner wastewater and helps the City of Phoenix protect our environment.

**The Publication of these users is in recognition of their achievement:
