It is the intent of the City of Phoenix to make the softball program as enjoyable and as fair as possible. To achieve this goal, a team skill classification system has been developed. Teams that did not play in the previous season are required to complete this Team Classification Form. **Staff will assign a team classification level and the team will be allowed to register only in leagues designated for that particular level of play.** Teams will be notified of their classification level by mail. Appeals to assigned team classification must be made in writing prior to Early registration to the Sports and Turf Management Division Citywide Softball staff.

DEFINITION OF SKILL LEVEL

- **Division "A":** Teams with participants who are very talented and experienced softball players. Superior offensive and defensive skills required with good home-run power. Experience playing together as a team helpful, but not essential at this level.
- **Division "B":** Teams with experience playing together as well as individual experience. Very good offensive and defensive skills required with some home-run power.
- **Division "C":** Teams with experience playing together as well as individual experience. Effective offensive and defensive skills required with 1-2 power hitters.
- **Division "D":** Teams with little or no experience playing together and a combination of experienced and inexperienced players. Offensive and defensive skills vary among teammates.
- **Division "Novice":** Teams with little or no experience playing together and little individual playing experience; generally comprised of a group of friends participating solely for recreation.
