

Broadway Road

Sewer Main Improvement Project

10th Avenue to 17th Street

November 2011

Project No. WS90500144

City of Phoenix
WATER SERVICES DEPARTMENT

Proactively improving the integrity of the sewer system to meet future wastewater flow needs and providing the community with improved sewer service.

Broadway Road and 7th Avenue Weekend Restrictions: 6:30 a.m. to 7 p.m. Saturday (11/12) and Noon Saturday (11/19) to 5 a.m. Monday (11/21)

**Project Hotline
(602) 235-2839**

We are committed to proactive planning for the needs of our community.

We are committed to protecting and enhancing community health and the environment with a sound, safe sewer infrastructure with sufficient capacity to meet the future needs of the City of Phoenix.

We are committed to effectively managing improvement projects and as much as possible, minimize the major community disruption that can be caused by sewer line failures. Proactive maintenance and replacement programs minimize disruption and improve quality of life for Phoenix residents.

We are committed to open communication and working together with the community during construction.

The Department recognizes the need for infrastructure improvement in the growing community and is working hard to provide the community with a sound and safe sewer infrastructure.

(602) 768-0575.

What work is being done?

The contractor will excavate a jack and bore entry pit on the westside of 7th Avenue and Broadway Road during the weekend of November 19th and 20th. A jack and bore receiving pit will be excavated on the eastside of 7th Avenue in approximately four to six weeks.

Work hours: Scheduled work hours are 6:30 a.m. to 7 p.m. and are subject to change. Traffic will be restricted at this intersection during the dates and times shown above.

What traffic and access impacts can be expected during construction?

- Traffic will be restricted at the intersection of Broadway Road and 7th Avenue. Left turn restrictions may be in place to accommodate the work. Traffic control barricades will be in place 24-hours a day.
- Access to business driveways will be maintained throughout the weekend. In locations where there are multiple access driveways, one may be closed at times. Restrictions will occur as the work progresses past driveways.
- No parking will be permitted on Broadway Road. Use only designated parking spaces.
- Future restrictions will occur on Broadway Road between 7th Avenue and 17th Street through October 2012.

What can be done to help keep the project on schedule?

- Drive carefully around the construction site, and use alternate streets when possible to access businesses and residences.
- Keep children and pets away from construction activities and equipment to maintain a safe work zone.
- Watch message boards on site for closure dates.
- Call or email us with questions or concerns.

Thank you for your patience during this project. We are committed to working together with the community during construction and will do our best to minimize disruptions.
