

## Construction Notice

Broadway Road Sewer Line Improvements Project **Segment 2A**  
51st Avenue to 33rd Avenue; Weir Avenue, 43rd Avenue to 35th Avenue

### Business and Residential Access

Access to adjacent businesses and residents will be maintained at all times; however, it may be restricted at times. Advance notice of traffic impacts will be provided to all interested parties. The Department recognizes the need for infrastructure improvement in the growing community and is working hard to provide the community with a sound and safe sewer infrastructure.

### Keeping You Informed

The Department has a variety of opportunities for you to stay informed. A project information line is available for you to receive current project information or to ask questions about the project. Regular construction notices will either be mailed or hung on doors announcing project updates, restrictions or closures. You also may sign up for electronic newsletters to receive information.

**Project Information Line:** (602) 235-2839  
**Project Email:** [broadwayroadsewer@gmail.com](mailto:broadwayroadsewer@gmail.com)  
**Website:** [www.phoenix.gov/broadwayroadsewer](http://www.phoenix.gov/broadwayroadsewer)

Thank you for your patience during this project. Please observe local neighborhood speed limits and drive carefully around construction zones. We are committed to working together with the community during construction and will do our best to minimize disruptions.

*For more information, or if you have questions, please call the project information line at (602) 235-2839. For emergencies regarding water service, please call the City of Phoenix 24-hour service line at (602) 261-8000. To acquire this publication in Braille, large print or audio tape, contact the Water Services Department at (602) 368-9644/(602) 534-1113 TTY.*

51st Avenue to 33rd Avenue; Weir Avenue, 43rd Avenue to 35th Avenue

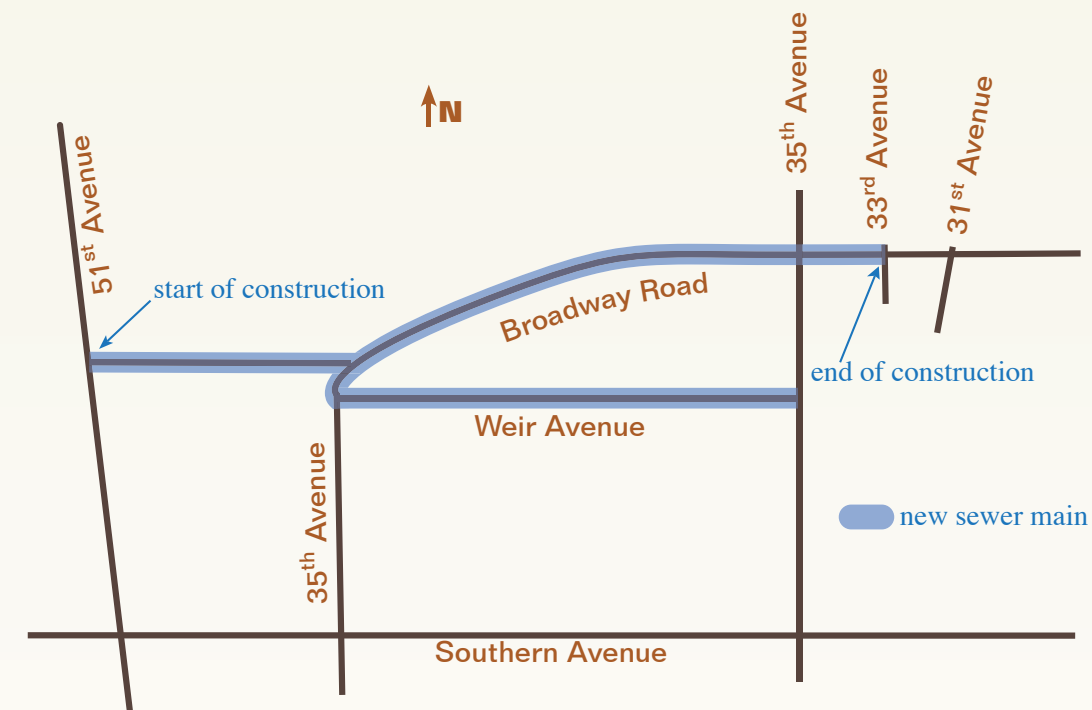

Information Line: (602) 235-2839

September 2008

### Construction Activities

The City of Phoenix Water Services Department (Department) will replace the existing sanitary sewer main in Broadway Road with a new larger main with increased capacity to meet future growth.

Construction activities will require traffic restrictions and occasional road closures. Construction equipment, personnel, and flaggers will be present in the work zone. Please follow all traffic control signage and adhere to the reduced speed limit and parking restrictions. Help to keep yourself and the work crew safe, drive slowly and safely through the work zones.

It is very important for safety reasons to keep children and pets away from construction activities and equipment.

City of Phoenix  
Water Services Department

We are committed to proactive planning for the needs of our community.

We are committed to protecting and enhancing community health and the environment with a sound, safe sewer infrastructure with sufficient capacity to meet the future needs of the City of Phoenix.

We are committed to effectively managing improvement projects and as much as possible minimize the major community disruption that can be caused by sewer line failures. Proactive maintenance and replacement programs minimize disruption and improve quality of life for Phoenix residents.

We are committed to open communication and working together with the community.

### Construction Schedule

- Construction is anticipated to be 12 months beginning September 2008.
- Work hours will be between 6 a.m. and 7 p.m. through the end of September and 7 a.m. to 7 p.m. October through the end of April.
