Section 8 Housing (Not accepting applications until further notice)

The Section 8 Housing Assistance Payments Program is designed to assist eligible lower-income families in renting an existing house or apartment. Under the program, the City of Phoenix Housing Department may make a monthly payment to the landlord on behalf of an eligible family. The payment is the difference between the rent that the family can afford to pay based upon their income and the full rent for the dwelling unit. Families that have been determined eligible and have been certified to receive a Housing Choice Voucher are responsible for finding a place to rent and negotiating a lease with the landlord. Any family issued a Housing Choice Voucher that does not live in the City of Phoenix at the time the family applied for assistance MUST lease a unit in the Phoenix city limits for at least twelve months from the beginning of the initial lease term.

Senior and Disabled Housing

Eligible senior or applicants who are disabled are welcome to apply for all Assisted Housing programs. Eligibility requirements are the same for all applicants. For more detailed information, please request a copy of the City of Phoenix Housing Department's brochure.

Scattered Sites Housing Home Ownership Program

This housing program offered by the City of Phoenix Housing Department provides home ownership opportunities to qualified **working families of 2 persons or more** who are considered low to moderate income households. Participants in the program select a home that has been purchased by the City. The families rent the home from the City. Throughout the leasing period, Housing Staff will conduct annual/quarterly home inspections and monthly yard inspections. Properties will be sold to those families who demonstrate an ability to maintain a home, complete the home ownership training, and agree that this home will be their primary residence for a least five (5) years. This program is open to all families who **meet the qualifying criteria**. For more information, please request a copy of the Scattered Sites flyer.
