

IMPORTANT NOTICE

September 14, 2023

Dear Housing Program Residents,

Please be advised that effective October 1, 2023, the U.S. Department of Housing and Urban Development (HUD) changed its fair market rents, which requires the City to make a change. The City of Phoenix Housing Department will increase its **Flat Rent**. If you are currently paying a Flat Rent and are receiving this notice, your new Flat Rent will increase or decrease to the following amounts when your current lease term expires.

Final Phoenix FY 2023-2024 Flat Rents by Unit Bedrooms

Studio	One	Two	Three	Four	Five
\$1,460	\$1,599	\$1,877	\$2,541	\$2,890	\$3,324

These rates are based on the Final FY 2023 Fair Market Rent established by HUD regulations for the Phoenix-Mesa-Scottsdale, AZ metropolitan statistical area.

This change will not affect you if you are currently on an income-based rent (30% of your income). If the new Flat Rent exceeds what would be your income-based rent, you will have the option to switch to income-based rent.

Please be aware that the HUD regulations do not allow the City to pay any utility reimbursement if a family pays Flat Rent.

If you have any concerns or need clarification, please contact your Property Manager at:

Thank you,
