## How to complete an ATA Trespassers Form

### Designate Precinct

Get the form online at [phoenix.gov/PHXCares](http://phoenix.gov/PHXCares) and designate and write the name of the precinct the property is located in. Find what precinct the address falls in at [phoenix.gov/police/precincts](http://phoenix.gov/police/precincts).

### Line 1 - "Premises Known as"

Complete this space with the name of the property if it has one; for example, Rick and Tony's Auto Repair Shop, Vacant Lot #123, Vacant House.

### Line 2 - "Located at"

Give the exact address of the property if it has one or directions to the premises; for example, 1234 North 56th Street, Northeast corner of Main Street & Maple Avenue.

### Personal Information

Please provide us with this information including a mailing address so we can identify you as the responsible person in the event of an arrest. Two areas are provided for both the owner and agent or an alternate responsible party. This information is for prosecution purposes only.

### Title

We need to know what position you hold relative to the property in question; for example, owner, manager, agent.

### Witness Signature

A witness must sign this form before we will enforce this Authority to Arrest Trespassers.
