

Nonprofit Arts and Culture Stabilization Grants

The Phoenix City Council approved using federal American Rescue Plan Act (ARPA) funds for the Office of Arts and Culture to support nonprofit arts and culture organizations and artists still hurting financially due to the COVID-19 pandemic. As part of the ARPA funding, Nonprofit Arts and Culture Stabilization Grants will help Phoenix’s arts and culture organizations of all sizes manage their operations, personnel, and programming as they welcome back audiences, guests, and patrons to their services to demonstrate intent, commitment, and strategies to sustain well beyond the health crisis.
