We honor the elders of both past and present, as well as future generations that enable us to live here today. Further, we acknowledge the sovereignty of the [22 Tribal Nations](#) who continue to steward the lands that make up the state of Arizona.

SECTION II – PROJECT DESCRIPTION

The Phoenix Airport Museum, in collaboration with the City of Phoenix Office of Arts and Culture, is soliciting a call for art to professional artists for completed studio work available for purchase. Artists must apply for their artwork to be selected, purchased and acquired for the Phoenix Airport Museum's portable works collection.

Phoenix Airport Museum is one of the largest and oldest airport art programs in the country and operates out of one of the nation's busiest Airport systems: Sky Harbor International Airport. The museum is guided by a mission to enhance the Airport visitor's experience by creating a memorable environment that promotes Arizona's unique artistic and cultural heritage through an art collection, exhibition program and the aviation history collection.

The Phoenix Airport Museum maintains an art collection of more than 900 portable and site-specific works in all mediums and presents themed exhibitions in more than 40 display areas throughout the Airport system. Portable works may be used in a group exhibition or displayed on their own.

SECTION III – TRANSPARENCY POLICY

Beginning on the date this RFQ (hereinafter referred to as the “Call”) is issued and until the date a contract is awarded or the Call withdrawn, all persons or entities that respond to this Call for the services outlined below, including their employees, agents, representatives, proposed partner(s), subcontractor(s), joint venture(s), member(s), or any of their lobbyists or attorneys, (collectively, the “Respondent”) must refrain from any direct or indirect contact with any person (other than the designated procurement officer) who may play a part in the selection process, including members of the evaluation panel, the City Manager, Assistant City Manager, Deputy City Managers, department heads, the Mayor and other members of the Phoenix City Council. SECTION IV – SCOPE OF WORK

Portable works can be either two- or three-dimensional in a variety of studio art mediums. Painters, printmakers, sculptors, fiber artists, digital and other visual artists are encouraged to apply. A diverse array of artwork themes will be considered including urban environments, scenic wonders, historic or cultural heritages, non-objective and abstract work, or artwork interpreting scientific, technological or mathematic concepts.

There are no limits on the physical dimensions of the applicant’s artwork, however it must be able to be reasonably transported and used in display areas throughout the airport system.
