SECTION I – ABOUT US

Office of Arts + Culture

The Phoenix Office of Arts and Culture was established in 1985 to champion and sustain the City's arts and culture community to make Phoenix a great place to live, work, and visit.

Our Commitment

The City of Phoenix Office of Arts and Culture believes in fair treatment, access, and opportunity for all individuals. Our equity strategy aims to identify and eliminate barriers that have prevented marginalized groups' full participation from the agency's programs and to strengthen equity, diversity, and inclusion in the arts and culture sector for all Phoenix residents.

The City of Phoenix fully endorses and supports the concept of equal business and employment opportunities for all persons, regardless of race, color, age, sex, religion, national origin, genetic information, marital status, disability, sexual orientation, or gender identity or expression.

Land Acknowledgement:

The Phoenix Office of Arts and Culture acknowledges that modern-day Phoenix is on the traditional lands of the Akimel O'odham (Pima) and the Tohono O'odham and before that their ancestors (Hohokam) as well as the Pee-Posh (Maricopa). We honor the elders of both past and present, as well as future generations that enable us to live here today. Further, we acknowledge the sovereignty of the [22 Tribal Nations](#) who continue to steward the lands that make up the state of Arizona.

SECTION II – PROJECT DESCRIPTION

The Phoenix Office of Arts and Culture's Public Art Program is requesting qualifications from artists to work with a project team and the Parks and Recreation Department to integrate a public art enhancement for Perry Park in Phoenix, AZ. The selected artist will be expected to work with the community and city staff to design custom concrete treatments that will be a visually appealing and functional improvement to the park.

This is an opportunity for artists specializing in two-dimensional design with experience in community engagement. This is a fast-tracked project that will require an artist who can begin research and design in the summer of 2022. Construction is expected to begin in fall 2022.

Located in on North 32nd Street and Thomas in Phoenix, Perry Park was first established in 1947. In the 1950s, the City of Phoenix began to develop the space as an outdoor recreational area. Open to the public and maintained by

the Parks and Recreation Department, Perry Park is one of 83 neighborhood parks citywide. Neighborhood parks typically are ~15 acres and service an area within a radius of 1 mile providing direct access to open spaces for approximately 4,000 - 7,000 people within the vicinity. Perry Park is sized at 8.37 acres. In 2020, additional improvements to the park were made, including a walking path, the park's current playground installation, tree plantings, and parking lot improvements. The park features ramadas and picnic area, plenty of open space with shade, a community playground, a lighted sports court and sports field, and a WalkPHX Path.

The selected artist/artist team will be expected to work with various city departments to integrate their concepts into the overall goals of these projects.

SECTION III – TRANSPARENCY POLICY

Beginning on the date this RFQ (hereinafter referred to as the "Call") is issued and until the date a contract is awarded or the Call withdrawn, all persons or entities that respond to this Call for the services outlined below, including their employees, agents, representatives, proposed partner(s), subcontractor(s), joint venture(s), member(s), or any of their lobbyists or attorneys, (collectively, the "Respondent") must refrain from any direct or indirect contact with any person (other than the designated procurement officer) who may play a part in the selection process, including members of the evaluation panel, the City Manager, Assistant City Manager, Deputy City Managers, department heads, the Mayor and other members of the Phoenix City Council. As long as the solicitation is not discussed, Respondents may continue to conduct business with the City and discuss business that is unrelated to the solicitation with City staff.

Respondents may discuss their proposal or this Call with the Mayor or one or more members of the Phoenix City Council, provided such meetings are scheduled through Romeo Rabusa, Procurement Officer, conducted in person at 200 West Washington, Phoenix, Arizona 85003, and are posted as open meetings with the City Clerk at least twenty-four (24) hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted notice shall identify the participants and the subject matter and invite the public to participate. Romeo Rabusa's contact info is romeo.rabusa@phoenix.gov.

This policy is intended to create a level playing field for all Respondents, assure that contracts are awarded in public, and protect the integrity of the selection process. RESPONDENTS THAT VIOLATE THIS POLICY SHALL BE DISQUALIFIED.

SECTION IV – SCOPE OF WORK

This is a fast-tracked project. The selected artist will be expected to quickly design custom concrete treatments for designated areas of the park, such as the sidewalks and skate plaza area. Community engagement for the project must occur before the design is developed and finalized. The selected artist will be expected to review concepts with the city and the design team to ensure that the artwork is seamlessly integrated into the space with regards to site specific regulations. Once approved, artists will work with a city-managed contractor to convert the final design into digital files that clearly depict the concrete patterns and colors in relationship to the site. A contractor will then be selected to produce the designs. The ideal artist or team should demonstrate their experience creating 2D work on a large scale and working with community. The artist will also be expected to oversee installation of the public art portion of the project. This will require project team meetings, review of samples, site visits etc.

Estimated Budget

The budget for design and construction oversight is not to exceed \$65,000. This amount covers the artist design fee and all costs associated with the design process (insurance, fax, mileage, research, materials, etc.) and construction oversight. Fabrication costs will be determined as the project moves towards construction.

Applicants to this project may be considered for additional public art project opportunities advertised by the Phoenix Office of Arts and Culture.
