

## City of Phoenix

To: Mayor and City Council

Date: June 7, 2022

From: Jeff Barton  
City Manager

Subject: GENERAL FUND REVENUE REPORT – 10 MONTHS ACTUAL REVENUE

General Fund (GF) revenue collections of \$1.2 billion at ten months were \$99.0 million or 8.9% higher than the FY 2020-21 collections of \$1.1 billion. This is primarily attributable to higher revenue collections in city and state-shared sales taxes. Retail sales tax has demonstrated strong growth this fiscal year, and the hospitality and leisure categories, which were most adversely impacted by the COVID-19 pandemic, have seen substantial increases.

Year-to-date (YTD) revenue growth is offset by reduced collections in state-shared income and vehicle license taxes. State-shared income tax, which lags two years and is based on collections from FY 2019-20, declined by 11.1% in April. This decline was anticipated and is due to the impacts of COVID-19 and the State's decision to defer income tax filings for the 2019 tax year from April 2020 to July 2020. This shift artificially suppressed the fiscal year 2019-20 collections. The YTD state-shared income tax collections are also trending lower than last year due to the negative impact of the 2020 Census on Phoenix's relative population share, which is used to distribute state-shared revenues. Additionally, YTD state-shared vehicle license tax (VLT) collections decreased by 2.1% in April because of the implementation of a new system by the Arizona Department of Transportation (ADOT) in 2020, which recognized revenues from FY 2019-20 in FY 2020-21 and artificially boosted revenue collections in August and September 2020. The decreased VLT collections might also be attributable to the supply chain shortages and declined car sales.

The revised FY 2021-22 GF revenue estimate is \$1.45 billion, representing 5.1% growth over FY 2020-21 actuals. Several revenue categories were adjusted from the FY 2021-22 GF budgeted revenue of \$1.36 billion to more closely align with YTD actual growth, most notably increases to city and state sales taxes. The geopolitical crisis in Europe caused by the war in Ukraine along with the COVID-19 pandemic, ongoing inflation and supply chain challenges have caused increased economic uncertainty. The pandemic has created a significant challenge with accurately forecasting revenue and additional uncertainty further supports a cautious and prudent approach to revenue estimating. Staff will continue to closely monitor monthly revenue collections and look to our trusted economic sources to determine if further adjustments are needed in the future.

## **General Fund Sales Tax (June 2021 – March 2022 Business Activity)**

At ten months of FY 2021-22, the combined GF revenue from city and state-shared sales tax was \$702.0 million, reflecting growth of 16.2% compared to the same period of FY 2020-21.

*City Sales Tax*- Year-to-date (YTD) FY 2021-22 collections were \$514.0 million, representing 16.3% growth compared to the prior year.

The cumulative YTD growth percentages in the key categories of city sales tax include:

- retail: 16.7%
- contracting: 23.3%
- restaurants & bars: 36.6%
- hotel/motel: 127.8%
- telecommunications: -11.0%
- commercial property rentals: -1.6%

*State-Shared Sales Tax*- YTD FY 2021-22 collections were \$188.0 million, representing 15.9% growth over FY 2020-21.

The cumulative YTD growth percentages in the key categories of state sales tax include:

- retail: 16.3%
- contracting: 7.0%
- restaurants & bars: 31.7%
- hotel/motel: 73.2%
- communications: -9.4%

# General Fund Revenue

## TOTAL GENERAL FUND REVENUE

## GF LOCAL TAXES

## GF NON-TAXES

## GF STATE SHARED REVENUES

## Notes

- Total General Fund revenues at ten months of \$1.2 billion reflect year-over-year (YOY) growth of 8.9%, which is primarily caused by strong results in city and state sales taxes and non-taxes revenues. The FY 2021-22 revised estimate is \$1.45 billion, representing growth over FY 2020-21 of 5.1%.
- Local taxes represent approximately \$802.8 million, or 55.4% of total GF collections. Local taxes are comprised primarily of property and city sales taxes. City sales taxes include various categories, such as retail/remote sales and contracting, which have exhibited strong growth throughout the pandemic, with the YOY growth of 16.7% and 23.3%, respectively. The hospitality and leisure categories most adversely affected by the COVID-19 pandemic have seen substantial increases for eleven consecutive months. Following are the positive YOY growth rates in the hospitality and leisure categories: Restaurants and Bars (36.6%), Hotel/Motel (127.8%), and Amusements (244.8%). Beyond the aforementioned reasons, the low base of FY 2020-21 affected by COVID is contributing to the dramatic growth rates for these categories in FY 2021-22.
- Total Non-Tax revenues represent approximately \$131.5 million, or 9.1% of total annual GF revenues. The YOY collection of \$112.5 million or 17.9% growth is due to the increased revenue collections in Emergency Transportation Services, Police Personal Service Billings, Parks and Libraries, and other miscellaneous fees.
- State Shared revenues represent \$515.7 million or 35.5% of total annual GF revenue and are comprised of state sales, income, and vehicle license taxes. State Sales taxes continue to show strong positive growth with the YOY growth rate of 15.9%, primarily due to retail revenue collections and the recovery of hospitality and leisure categories. The YOY positive growth rates are: Restaurants and Bars (31.7%), Hotel/Motel (73.2%), and Amusements (121.8%). State-shared income tax declined by 11.1% in April due to the impacts of COVID-19. The FY 2019-20 collections are distributed to cities and towns for FY 2021-22 state-shared income tax. Affected by COVID-19, both the federal and state governments deferred their individual and corporate income tax filing dates from April 15 to July 15 for Tax Year 2019 (filed in 2020). This shift artificially suppressed the fiscal year 2019-20 collections. The year-to-date state-shared income tax collections are also trending lower than last year due to the negative impact of the 2020 Census on Phoenix's relative population share, which is used to distribute state-shared revenues. The YOY state-shared vehicle license tax category decreased by 2.2% in April because of the implementation of a new system by the Arizona Department of Transportation (ADOT) in 2020, which recognized revenues from FY 2019-20 in FY 2020-21 and artificially boosted the revenue collections in August and September 2020. The decrease might also be attributable to the supply-chain shortages and declined car sales.
- Lastly, it is important to note how the Federal stimulus funding from the CARES Act and ARPA have impacted the state and local economy. Enhanced and extended unemployment, the paycheck protection program, and individual rebates to households have certainly indirectly positively impacted city revenues. According to the Finance Advisory Committee meeting on January 20, 2022, \$78 billion in federal pandemic aid led to a 8.6% increase in Arizona personal income last year.

Notes:

<sup>1</sup> In the November 3, 2020 General Election, voters approved the Smart and Safe Arizona Act (Proposition 207), which has become effective to govern the possession, sale, and taxation of Recreational marijuana in Arizona. In January 2021, the City started collecting sales tax from Recreational marijuana sales. However, the business activity in January was not reported until February 2021.

<sup>2</sup> The additional 16% excise tax is deposited into the Smart and Safe Arizona Fund (SSAF). SSAF monies are first used to pay administrative costs of certain state agencies. The remainder of these monies will then be distributed on or before June 30 and December 31 of each year as follows:

- 33.0% to community colleges
- 31.4% to local law enforcement and fire departments for personnel costs
- 25.4% to the Arizona Highway User Revenue fund (AHUR)
- 10.0% to the Justice Reinvestment fund
- 0.2% to the Attorney General, or to grant to localities for enforcement

<sup>3</sup> The City received the AHUR portion of the MJ Excise Tax for FY 2020-21 in September 2021.

<sup>4</sup> On June 16, 2021, the City Council adopted the pension funding policy that designated the General Fund (GF) portion of the City Sales tax from Recreational (non-medical) MJ retail sales and the state-shared 16% excise tax on the MJ sales for Police and Fire personnel costs to paying down public safety pension liability.
