

Structured Sober Living Home License Quarterly Random Drug Testing Log

Phoenix City Code Chapter 10, Section 10-179(D)(2) requires that an owner or qualified manager must conduct random drug tests (urine and breathalyzer) on all residents at least once per quarter, maintain a log of each completed drug test on this form (provided by the City Clerk Department for this purpose), and to make this form available for City inspection, upon request. If all residents are not tested on the same day in a quarter, this form can be repeatedly used to reflect the additional dates when testing is conducted.

Please fill out this form each time random drug testing of all residents is conducted (at least once per quarter) and keep a copy on-site, available for City inspection, upon request.
