# Cactus Park Precinct Replacement

Police Department

District: 1

**Bond Allocation** »» \$37,134,312

[\(Bond Program Status\)](#)

## Project Scope»»

Acquire land and construct a replacement Cactus Park Precinct. Planned components include a new precinct structure, a separate mechanic shop with an attached shooting range, fuel facilities, and solar covered parking spaces that will offset the facility's electrical usage. The existing precinct facility is anticipated to be demolished as part of the project.

## Project Contact Information

Name Amanda Markham

Phone 602-299-9239

E-Mail amanda.markham@phoenix.gov

## Updates »»

Demolition Complete: Former Fry's Electronics building successfully demolished in Fall 2025. Site preparation complete and ready for the next phase.

Environmental Achievement: Diverted over 2,500 tons of demolition materials from landfills - equivalent to recycling materials from approximately 100 homes. This demonstrates our commitment to sustainable construction practices.

Design Phase Beginning: Contract Specialist assigned and architect selection process will soon be underway for design phase kickoff in early to mid 2026.

On Track: Project progressing as planned. Construction is anticipated to begin in 2026-27 with the facility opening in 2027-28.

## Sustainability Elements »»

Planned solar-covered parking will offset the facility's electrical usage, supporting the City's commitment to renewable energy. Over 2,500 tons of demolition materials were diverted from landfills during site preparation.

## Schedule Timeline »»

2024-25

Land acquisition completed (March 2025)

2025-26

Facility design (in progress)

2026-27

Ground breaking and construction begins

2027-28

Anticipated opening of new Cactus Park Precinct

# Equity Based Transportation Mobility

## Street Transportation Department

District: Citywide

**Bond Allocation** »» \$12,445,912

[\(Bond Program Status\)](#)

### Project Scope»»

Design and construct recommended mobility improvements including curb, gutter, sidewalk, ADA ramps, streetlights, traffic calming, safe HAWK crossings, traffic signals, and tree/shade landscaping. Low Impact Development and Green Infrastructure may be considered in the design of these projects.

### Project Contact Information

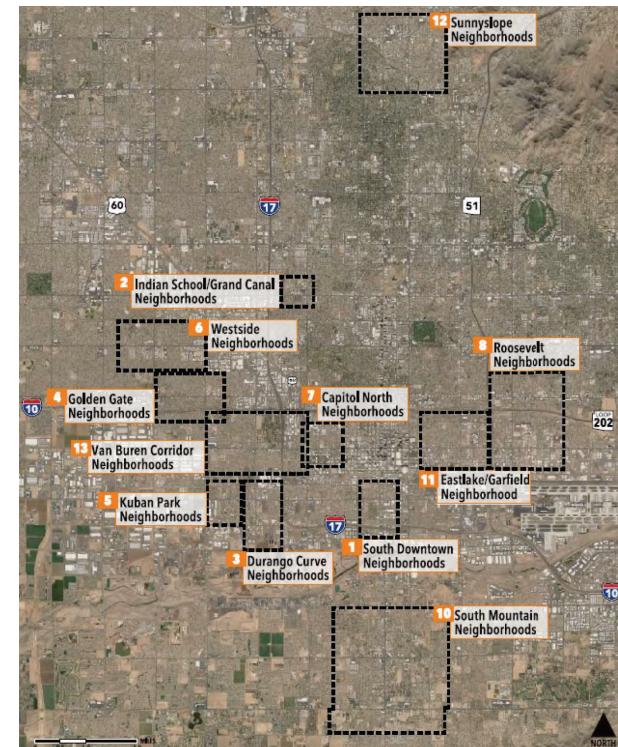

Name Brian Fellows

Phone 602-534-2163

E-Mail brian.fellows@phoenix.gov

### Updates »»

- GO Bond funded Equity Based Transportation Mobility (EBTM) projects focus on the 12 Mobility Areas (MA) shown in the map:
- 2 projects in design for 2025-26:
  - MA 6 Osborn Rd: 43rd-35th Ave., sidewalk improvements
  - MA 10 South Mtn Ave: 1st-7th St., sidewalk improvements
- 4 projects planned for construction in 2025-26:
  - MA 7 19th-16th Ave: Polk St. - Roosevelt St., sidewalk improvements
  - MA 3 Phase 1, sidewalk improvements
  - HAWK: 7th St. & Wier Ave.
  - HAWK: Cave Creek Rd & Vogel Ave.
- 1 project planned for construction in 2026-27:
  - MA 8 Oak Street: 20th - 21st St., sidewalks improvements

### Sustainability Elements »»

- Green Stormwater Infrastructure (GSI) is being considered in the MA 8 Oak Street: 20th - 21st St. sidewalks improvements project.

### Schedule Timeline »»

2025-26

Eligible projects being scheduled for design and construction.

2026-27

Eligible projects being scheduled for design and construction.

2027-28

Additional eligible projects being identified and programmed.

2028-29

Additional eligible projects being identified and programmed.

# Fire Station 13

Fire Department

District: 6

**Bond Allocation** »» \$21,605,820

[\(Bond Program Status\)](#)

## Project Scope»»

Replace and upgrade Fire Station #13. Acquiring 3 acres of land in the vicinity of 50th Street and Thomas Road. Construct a new 18,000 square foot, 2-story, 4-bay fire station to support additional emergency response personnel and equipment. Acquire 2 new apparatus (1 pumper and 1 rescue vehicle). The existing fire station building will be retained and utilized to support the Community Assistance Program.

## Project Contact Information

Name Suzanne Wang Phone 602-256-3158  
E-Mail suzanne.wang@phoenix.gov

## Updates »»

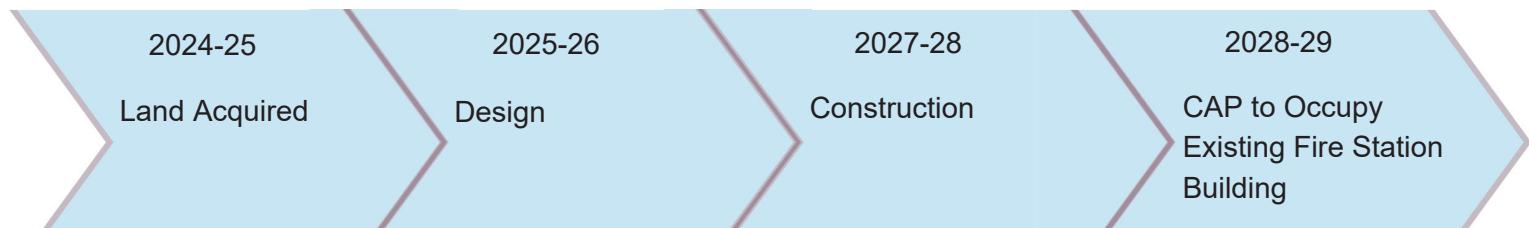

- Land acquired in 2024-25.
- Anticipate station design in 2025-26.
- Anticipate construction in 2027-28.
- Following the opening of new Fire Station 13, anticipate 4-5 months for building modification efforts to prepare the existing fire station building for the Community Assistance Program (CAP).
- Anticipate occupancy to occur in 2028-29.

## Sustainability Elements »»

- The Fire Department has been very proactive in designing energy-efficient buildings. The Fire Stations are designed and built with insulated concrete forms in all conditioned spaces for energy savings and long-lasting buildings.

## Schedule Timeline »»

# Fire Station 15

Fire Department

District: 5

**Bond Allocation** »» \$21,263,728

[\(Bond Program Status\)](#)

## Project Scope»»

Replace and upgrade Fire Station #15. Acquire approximately 3 acres of land in the vicinity of 45th Avenue and Camelback Road. Construct a new 18,000 square foot, 4-bay fire station to support additional emergency response personnel and equipment. Acquire 2 new apparatus (1 pumper and 1 rescue vehicle). The existing fire station building will be retained and utilized to support the Community Assistance Program.

## Project Contact Information

Name Suzanne Wang

Phone 602-256-3158

E-Mail suzanne.wang@phoenix.gov

## Updates »»

- City-owned land was identified and made available for the project. Land acquisition funding has been moved to 2025-26 as a potential additional construction and equipment funding resource. This is pending final construction and equipment cost estimates.
- Station design completed in 2024-25.
- Construction contract awarded in 2024-25.
- Construction started in August 2025.
- Anticipated Opening Fall of 2026.
- Following the opening of new Fire Station 15, anticipate 4-5 months for building modification efforts to prepare the existing fire station building for the Community Assistance Program (CAP). Anticipate occupancy to occur in 2026-27.

# Hohokam Drainage Program

Office of City Engineer - Floodplain Management

District: 8

**Bond Allocation** »» \$19,095,527

[\(Bond Program Status\)](#)

## Project Scope»»

Implement the Hohokam Area Drainage Master Plan that was prepared in collaboration with the Flood Control District (FCD) of Maricopa County. Design and construct a series of storm water drainage basins and pipes that extends the existing storm drainage system in the area south of Baseline Road to Dobbins Road, and 14th Street to 21st Street.

## Project Contact Information

Name Ryan Bentz

Phone 602-262-4050

E-Mail ryan.bentz@phoenix.gov

## Updates »»

- Hohokam Drainage Program - Set 1: Kimley-Horn has been awarded the design contract. The project is currently at the 90% design stage, with completion expected by March 2026.
- Hohokam Drainage Program - Set 2: This set is currently in the procurement stage, focusing on scope and fee negotiations. We anticipate issuing the Notice to Proceed this month.

## Sustainability Elements »»

- Green Storm-water Infrastructure (GSI) and Low-Impact Development (LID) elements will be utilized if warranted.

## Schedule Timeline »»

Winter 2025

Set 1: Finalize the Design; Set 2: Design Contract

Spring 2026

Set 1: Utility Relocation & ROW; Set 2: Design Continues

Summer 2026

Set 2: Finalize the Design

# Laveen Flood Mitigation Projects

Office of City Engineer - Floodplain Management

District: 7,8

**Bond Allocation** »» \$8,159,730

[\(Bond Program Status\)](#)

## Project Scope»»

Implement drainage mitigation options to reduce flood impacts in four areas of Laveen. These projects were recommended in the 2022 Laveen Area Drainage Feasibility Study. The City is partnering with the Flood Control District (FCD) of Maricopa County to share the cost of the design and construction of the project.

## Project Contact Information

Name Ryan Bentz

Phone 602-262-4050

E-Mail ryan.bentz@phoenix.gov

## Updates »»

- The Intergovernmental Agreement (IGA) with Flood Control District of Maricopa County has been executed.
- The project is currently in the procurement stage to solicit a design consultant. We anticipate advertising this project by next month.

## Sustainability Elements »»

- Green Storm-water Infrastructure (GSI) and Low-Impact Development (LID) elements will be utilized if warranted.

## Schedule Timeline »»

Winter 2025

Advertise and Select the Design Consultant

Spring 2026

Award the Design Contract & Start the Design

Summer 2026

Design Continues

Fall 2026

Design Continues & Public Outreach

# Maryvale Police Precinct Renovations

Police Department

District: 4

**Bond Allocation** »» \$2,956,993

([Bond Program Status](#))

## Project Scope»»

Renovate and update the Maryvale Police Precinct. Remodel several interior spaces. Install high efficiency LED lighting throughout. Replace aged A/C units and electrical equipment. Replace damaged block walls and asphalt surface. Replace roofing surfaces. Re-paint the exterior/interior.

## Project Contact Information

**Name** David Moreno

**Phone** 602-339-4169

**E-Mail** david.r.moreno@phoenix.gov

## Updates »»

- Wall has been cut, and the old generator has been removed.
- New generator is in the process of being installed.

## Sustainability Elements »»

- N/A

## Schedule Timeline »»

2024-25

Replace A/C units.  
Remodel interior.  
LED lighting retrofit.  
Roofing.

2025-26

New Asphalt. Block  
wall repairs.  
Landscaping.  
Repaint Int/Ext.

# Pavement Maintenance Supplement

Street Transportation Department

District: Citywide

**Bond Allocation** »» \$21,812,742

[\(Bond Program Status\)](#)

## Project Scope»»

Supplement the Accelerated Pavement Maintenance Program with additional funding for neighborhood street mill and overlay projects at an estimated \$1 million per residential quarter section. Scope includes surface preparation, ADA curb ramp replacement, asphalt milling and asphalt paving.

## Project Contact Information

Name Ryan Stevens

Phone 602-495-7560

E-Mail ryan.stevens@phoenix.gov

## Updates »»

- Preparation work, including crack sealing and curb ramp replacements (pictured), are ongoing in the 15 previously identified neighborhoods.
- One neighborhood is complete.
- New contracts are being procured to perform the remaining work.
- The next mill & overlay projects will begin in the Spring of 2026.

## Sustainability Elements »»

- Some locations are being evaluated to incorporate recycled asphalt pavement.

## Schedule Timeline »»

Summer 2024

Began preparation work

Spring - Fall 2025

Complete preparation work and begin mill & overlay projects

Spring - Fall 2026

Second round of overlay projects

# Police Property Management Warehouse Renovation

Police Department

District: 7

**Bond Allocation ➤➤➤** \$8,938,511

([Bond Program Status](#))

## Project Scope ➤➤➤

Renovate the Police Property Management Warehouse and secure the property for vehicle evidence currently stored at a different location. Construct a 1,600 square foot administrative building for the vehicle lot. Update and improve aging evidence preservation and storage equipment and spaces to optimize space utilization and provide a visitor lobby.

## Project Contact Information

Name David Moreno

Phone 602-339-4169

E-Mail david.r.moreno@phoenix.gov

## Updates ➤➤➤

- Storage area for weapons is complete.
- Window and door replacement is complete.
- A/C equipment has been installed.

## Sustainability Elements ➤➤➤

- N/A

## Schedule Timeline ➤➤➤

2024-25

HVAC  
Replacements.  
LED Retrofit.  
Remodels.

2025-26

Remodels.  
Engineering Services  
for auto lot. Roof  
Replacements.

2026-27

Asphalt Replacement.  
Landscape Additions.  
New Building  
Construction

# Storm Drain Replacement Program

Office of City Engineer - Floodplain Management

District: Citywide

**Bond Allocation** »» \$2,500,000

[\(Bond Program Status\)](#)

## Project Scope»»

The Citywide Stormwater Management Plan is designed to establish a comprehensive, long-term strategy for managing stormwater within the city. This involves planning for development projects, improving drainage and stormwater systems, and introducing a Stormwater Asset Management program. It is expected that each year, one to two miles of old metal storm drainpipes will be replaced.

## Project Contact Information

Name Nazar Nabaty, PE

Phone 602-262-4026

E-Mail nazar.nabaty@phoenix.gov

## Updates »»

- The consultant has been selected and project Scope and Fee are being negotiated and finalized.
- This design contract will be executed this month, and data collection will begin.

Sinkhole @ 59 Ave & Indian School

## Sustainability Elements »»

- A robust asset management program will include condition assessments allowing for predictive measure to mitigate sinkholes caused by storm drain failures, protecting critical infrastructure and preventing environmental pollution.

# Vision Zero Implementation

## Street Transportation Department

District: Citywide

**Bond Allocation** »» \$16,767,094

[\(Bond Program Status\)](#)

### Project Scope»»

Supplement the Council-approved Road Safety Action Plan and leverage various Federal funding opportunities toward becoming a Vision Zero City. Identify, design, and implement roadway safety countermeasures that address locations and behaviors related to fatal and serious injury accidents.

### Project Contact Information

Name Road Safety Team

Phone 602-262-6284

E-Mail roadsafety@phoenix.gov

### Updates »»

- Staff identified 15 traffic signal modernization projects, 2 new traffic signals, 5 signalized mid-block pedestrian crossings, 1 pedestrian flashing beacon, and 9 street lighting projects.
- Design has begun for each location. Design is complete for the signalized mid-block pedestrian crossings at 37th Pl & Thunderbird Rd and at 35th Ave & Waltann Ln. Design is also complete, and construction has begun, for a new signal at 24th St & Willetta St.
- The following link will provide the location of each project and provides a brief description of each project type:  
[www.phoenix.gov/roadsafety](http://www.phoenix.gov/roadsafety)

### Sustainability Elements »»

- Modernized traffic signals can adjust timing, in real-time, to reduce vehicle emissions. Signalized pedestrian crossings only stop traffic when there is a need for pedestrian or bicyclist to cross. Street lighting uses energy efficient lighting sources.

### Schedule Timeline »»

# City Facility ADA Improvements

Public Works Department

District: Citywide

**Bond Allocation** »» \$10,000,000

[\(Bond Program Status\)](#)

## Project Scope»»

Ensure ongoing compliance with the Americans with Disabilities Act (ADA) at City facilities. Complete prioritized improvements to signage, parking lots, ramps, doors, and other barriers to maximize access.

## Project Contact Information

Name Robert Birchfield

Phone 602-471-4015

E-Mail robert.birchfield@phoenix.gov

## Updates »»

- An ADA design consultant has assessed and provided scope of work drawings for 19 public facing sites.
- The scope of work primarily involves improvements to the ADA accessible route from parking to main entrance.
- Seventeen sites have plans approved with permits.
- Desert Sage and Ironwood Library, South Mountain and Washington Park Community Center, and John F Long Family Services Center ADA improvements are complete.
- ADA improvements are in progress at Sunnyslope Community and Senior Center.
- In addition to the five sites completed and two in progress, ten purchase orders are awarded to a contractor for the remaining sites in this work phase.

# Energy and Water Efficiency and Renewable Energy

## Public Works Department

District: 7,8

**Bond Allocation** »» \$14,000,000

[\(Bond Program Status\)](#)

### Project Scope»»

Provide energy and water saving work that includes energy management building control systems, a solar array located on the 27th Avenue Waste Transfer Station adjacent landfill cap, and a cooling tower water savings program initiative.

### Project Contact Information

Name Robert Birchfield

Phone 602-471-4015

E-Mail robert.birchfield@phoenix.gov

### Updates »»

- Phoenix City Hall building automation system replacement project was substantially completed in September 2025.
- The 27th Avenue Transfer Station Solar Project contract is currently being awarded.
- The Adams St. Parking Garage building automation system replacement work is scheduled for January 2026 completion.
- The Phoenix Municipal Court building automation system replacement work is scheduled to start January 2026.
- Construction is in progress for cooling tower water savings work at multiple sites out of the 9 site project. Work is scheduled for early 2026 completion.

### Sustainability Elements »»

- Update building automation control systems to assure reliable function of mechanical equipment resulting in energy waste avoidance. Optimally performing equipment promotes reduction in pollution and carbon footprint.

### Schedule Timeline »»

2024-25

Building automation vendor awarded contract for 3 sites - Work in progress

2024-25

Cooling Tower Water Savings Design and Pre-construction complete, 9 sites

2025-26

27th Ave Solar Project Design and Pre-construction begins

2026-27

Construction for Energy Management and Solar projects

# Heat Resilience

## Environment and Sustainability

District: Citywide

**Bond Allocation** »» \$7,631,690

[\(Bond Program Status\)](#)

### Project Scope»»

Expand the City's programs to mitigate urban heat and increase thermal comfort and safety, with an emphasis on tree planting, built shade, reflective surfaces, and green stormwater infrastructure. Projects prioritize City facilities, infrastructure, and right-of-way in places where residents are more vulnerable to heat-related hazards.

### Project Contact Information

Name David Hondula

Phone 602-534-1202

E-Mail david.hondula@phoenix.gov

### Updates »»

- Site identification and design is complete for 19 shade structures that will be installed at City playgrounds, pools, and splash pads beginning in early 2026. Design is in progress for an ice machine at the Pima Canyon trail head to help first responders address heat emergencies.
- New trees, shrubs, landscaping materials, and irrigation infrastructure were added at the Phoenix Navigation Center in late 2025, augmenting the initial project completed in the spring.
- The Office of Heat Response and Mitigation is continuing to work with partnering departments to complete the design and scoping phase of the full portfolio of Heat Resilience GO Bond projects.

### Sustainability Elements »»

- Projects in the design and scoping phase integrate multiple strategies to improve cooling and thermal comfort, including ambitious tree planting and shade structure elements as well as consideration of reflective surface materials.

### Schedule Timeline »»

2024

Project scoping and design

2025

Construction begins and continued design

2026

Construction continues and evaluation of completed work

2027

Construction concludes and evaluation of completed work

# Latino Cultural Center

## Arts & Culture Department

District: Citywide

**Bond Allocation** »» \$21,433,996

[\*\*\(Bond Program Status\)\*\*](#)

### Project Scope»»

Design and construct a world-class Latino Cultural Center in accordance with the Latino Center Ad Hoc Committee recommendations that were approved by City Council in September 2020. The funding level anticipates a 22,000 square foot facility with access to outdoor space, parking, and close to public transportation.

### Project Contact Information

Name Romeo Rabusa

Phone 602-534-8334

Arts & Culture Department

District: 7

**Bond Allocation** »» \$1,194,312

[\(Bond Program Status\)](#)

## Project Scope»»

Replace/upgrade theatrical lighting, audio systems, seating, rigging, and the outdoor marquee signage at the Phoenix Center for the Arts Third Street Theater.

## Project Contact Information

Name Romeo Rabusa

Phone 602-534-8334

E-Mail romeo.rabusa@phoenix.gov

## Updates »»

- The theatrical lighting, audio-video systems, seating, and rigging upgrades are complete.
- Outdoor marquee signage upgrade is in progress.
- Evaluating potential to upgrade exterior security using cost savings.

## Sustainability Elements »»

- N/A

## Schedule Timeline »»

September 2024

Procurement

October 2024

Completed work on  
theatrical lighting,  
audio-video systems

November 2024

Start work on seating,  
rigging, outdoor signage,  
& final components

June 2026

Estimated  
completion

# Phoenix Theater Company ADA Accessibility

## Arts & Culture Department

District: 4

**Bond Allocation** »» \$5,715,352

[\(Bond Program Status\)](#)

### Project Scope»»

Construct a 3-floor, approximately 13,000 square-foot building adjacent to the Phoenix Theater Company's existing facility to address urgent accessibility issues, offer ADA accessible office, classroom/studio and rehearsal spaces. These improvements would accompany separate improvements to expand the Hormel Theater from 250 to 500 seats and increase its technical capabilities.

### Project Contact Information

Name Romeo Rabusa

Phone 602-534-8334

E-Mail romeo.rabusa@phoenix.gov

### Updates »»

- The project is still in the planning phase with ongoing conversations between the nonprofit partner and Arts and Culture.

### Sustainability Elements »»

- N/A

### Schedule Timeline »»

Ongoing

Planning discussions with theatre company.

# Rio Reimagined Land Acquisition

Community and Economic Development Department

District: 7,8

**Bond Allocation** »» \$23,500,000

[\(Bond Program Status\)](#)

## Project Scope»»

Acquire land and perform predevelopment activities that may include environmental assessments and cleanup necessary to prepare economically attractive sites along the Rio Salado for development.

## Project Contact Information

Name Thomas Sawyer

Phone 602-262-5040

E-Mail Thomas.sawyer@phoenix.gov

## Updates »»

- City closed on the property, 3030 S. 7th Street, on March 26, 2025. This acquisition completely exhausted the Rio Reimagined Land Acquisition project fund allocation of \$23,500,000. Additional funding was required by the Community and Economic Development Department (CEDD).
- The City has assumed the lease of the current tenant, which expires on December 31, 2028. Tenant has been notified that the lease will not be renewed, & CEDD is working to support & facilitate the tenant's transition in any way possible.
- CEDD will begin planning community engagement & concept plan development for the site to serve as a catalyst for the Rio Phoenix Community Plan 2025 — a transformative vision for revitalization along & beyond the banks of the Rio Salado.

## Sustainability Elements »»

- Part of larger RIO PHX project to create opportunities for housing, employment, recreation, art and ecological restoration.

## Schedule Timeline »»

Q1 & Q2 2024-25

Potential site identification & preliminary meetings

Q3 & Q4 2024-25

Complete acquisition of selected site

2025-26

Community engagement & concept plan development

2026-27

Finalize plan development and engage solicitation for developer

# Spark Area Land Acquisition

Community and Economic Development Department

District: 8

**Bond Allocation** »» \$2,500,000

[\(Bond Program Status\)](#)

## Project Scope»»

The Land Reuse Strategy Planning Area Plan was developed in 2017 to address the reuse and redevelopment of fragmented City-owned parcels located roughly between 7th and 16th Streets, Washington Street and University Drive. This program will fund the acquisition of private parcels, as they become available, to fill in ownership gaps and facilitate redevelopment in these areas.

## Project Contact Information

Name Thomas Sawyer

Phone 602-262-5040

E-Mail thomas.sawyer@phoenix.gov

## Updates »»

- City purchased three vacant parcels, totaling 19,800 square feet, generally located at Grant St. and 11th St, on June 12, 2025. This acquisition continues to fill in ownership gaps for potential future redevelopment in this area and utilized the full 2024-25 GO Bond funding in this program year.
- This project has \$500,000 in funding allocated in each fiscal year of the program.
- Staff will continue to evaluate parcels adjacent to the City-owned land in the Spark areas. Key factors include if a parcel is vacant or underutilized or actively used in addition to title and environmental considerations. This process will be an ongoing effort throughout the bond program years due to property status changes over time.

## Sustainability Elements »»

- Acquisitions will further the Aviation PHX Land Reuse Strategy to foster redevelopment of underutilized land to trigger economic and job growth, neighborhood revitalization and enhancements.

## Schedule Timeline »»

2024-25

Site identification and assessments, acquisition

2025-26

Continuing evaluations and acquisition when possible

2026-27

Continuing evaluations and acquisition when possible

2027-28

Continuing evaluations and acquisition when possible

# Valley Youth Theatre Permanent Home

## Arts & Culture Department

District: 7

**Bond Allocation** »» \$13,902,756

[\(Bond Program Status\)](#)

### Project Scope»»

Secure land, design and construct a new Valley Youth Center for the Arts to provide a permanent home for the Valley Youth Theatre. The center is planned to include a 300-seat feature theatre, a 99-seat studio theatre for smaller productions, office and meeting space, rehearsal/workshop space, dance studios, galleries and space for set, costumes, prop shops and storage.

### Project Contact Information

Name Romeo Rabusa Phone 602-534-8334  
E-Mail romeo.rabusa@phoenix.gov

### Updates »»

- Architectural services vendor is under contract and design is ongoing.

### Sustainability Elements »»

- N/A

### Schedule Timeline »»

2025-26

Site identified,  
design, procure  
construction

2025-27

Construction will  
commence.

# Affordable Housing Property Preservation - Phase I

Housing Department

District: Citywide

**Bond Allocation** »» \$32,844,302

[\(Bond Program Status\)](#)

## Project Scope»»

Preserve the Housing Department's affordable housing apartment communities by completing renovations where Facility Condition Assessments have identified critical physical needs. Funding will be used to complete Facility Condition Assessments and renovations, which may include structural repairs, electrical and mechanical improvements, HVAC replacements, exterior improvements and other work as needed.

## Project Contact Information

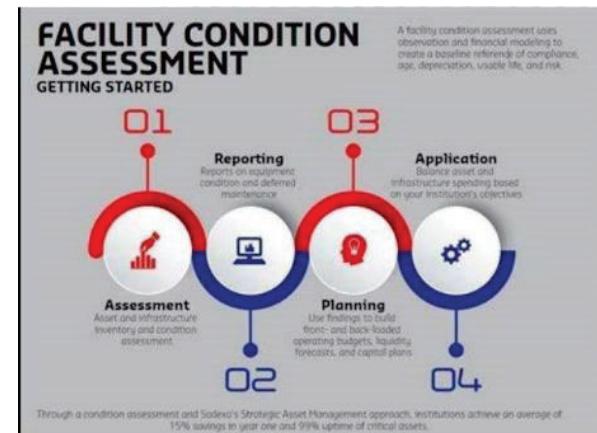

Name Hector Leal

Phone 602-853-5519

E-Mail hector.leal@phoenix.gov

## Updates »»

- The Facility Conditions Assessments were completed January 2025.
- The Affordable Housing Preservation - Phase 1 program is now moving onto the design phase.
- Design work is underway for 17 projects and the transition to construction is anticipated in Q1 2026.

## Sustainability Elements »»

- Energy-efficient upgrades include window replacements, HVAC improvements, LED lighting, water heater upgrades, and cooling tower enhancements. These measures reduce energy and water use and support long-term environmental resilience.

## Schedule Timeline »»

2024-25

Facility Condition Assessments for various sites.

2025-26

Initiated procurement process for Design.

2026-27

Design completion. Construction phase initiated.

# Cesar Chavez Senior Center

Human Services Department

District: 8

**Bond Allocation** »» \$5,679,287

[\(Bond Program Status\)](#)

## Project Scope»»

The project involves conducting a comprehensive feasibility study, followed by the design and construction of a new 12,600 square foot multi-purpose senior center adjacent to the Cesar Chavez Community Center.

## Project Contact Information

Name Alfonso Olivas  
E-Mail alfonso.olivas@phoenix.gov

Phone 602-534-7301

## Updates »»

- The Office of Heat Mitigation has confirmed its support for the Cesar Chavez Senior Center project, contributing to key sustainability and climate resilience features; meanwhile, the Request for Services (RFS) is currently under review by the Procurement Manager in the Streets Transportation Department and is expected to be approved soon, after which our Contract Specialist will conduct a final review to move the project forward.

## Sustainability Elements »»

- The design of this facility will strive to incorporate several sustainability elements including high efficiency lighting and HVAC systems, rainwater harvesting, and green storm water infrastructure.

## Schedule Timeline »»

2024-25

Feasibility study  
and site selection

2025-26

Begin design

2026-27

Complete design and  
begin construction

2027-28

Complete  
construction

# Choice Neighborhoods Housing

## Development Gap Funding

Housing Department

District:8

**Bond Allocation** »» \$21,109,843

[\(Bond Program Status\)](#)

### Project Scope»»

Cover the increased cost for construction, materials, and labor to complete the final phase of the Edison-Eastlake Choice Neighborhoods redevelopment initiative. Phase IV, on the former 145-unit Sidney P. Osborn public housing site, will consist of 364 new and modern, mixed-income rental housing units (289 affordable and 75 market rate) to be redeveloped in three phases.

### Project Contact Information

Name Brad Puffer  
E-Mail brad.puffer@phoenix.gov

Phone 602-256-3338

### Updates »»

- Phase One: Project construction underway with framing on first and second floors complete and framing on third floor in progress. Mechanical, electrical, and plumbing (MEP) installations taking place on the first and second floor. Concrete masonry unit (CMU) walls on north side are complete. Curb pouring is underway.
- Phase Two: Project construction underway with framing on first and second floors complete, third floor 50% complete and fourth floor framing started. MEP on first floor 95% complete. Patio CMU walls on ground level complete.
- Phase Three: Design is at 90%. Construction start date is anticipated in Q2 2026.

### Sustainability Elements »»

- Project includes energy-efficient LED lighting, water-saving fixtures, & good indoor air quality. Buildings & site promote walk-ability & access to green spaces. Energy Star appliance package includes dishwasher, refrigerator, microwave, & range.

### Schedule Timeline »»

2024-25

Phases One and Two begin construction.

Early 2026

Phase Three begins construction.

Early 2027

Phase One & Two construction complete; residents move-in.

2027

Phase Three construction complete; residents move-in.

# Innovation in Affordable Housing

## Planning and Development Department

District: Citywide

**Bond Allocation** »» \$1,000,000

[\(Bond Program Status\)](#)

### Project Scope»»

Issue a Request For Proposals for design firms to work on developing pre-approved Accessory Dwelling Unit (ADU) building plans. A full set of Standard Plans and construction documents for ADUs will be created utilizing these funds. Approved Standard Plans will be available for use by City of Phoenix residents at no cost.

### Project Contact Information

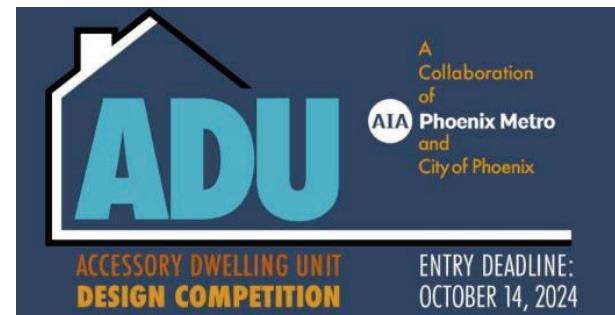

Name Miguel Victor

Phone 602-534-7643

E-Mail miguel.victor@phoenix.gov

### Updates »»

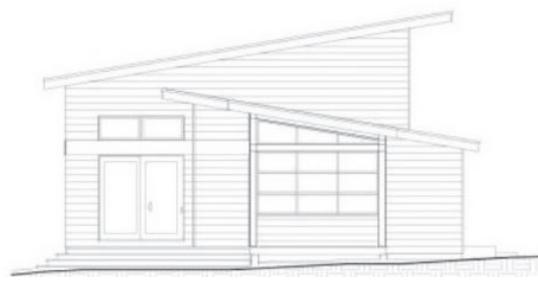

- The City of Phoenix Planning and Development Department (PDD) partnered with the American Institute of Architects, Arizona (AIA) on a design competition to inspire innovative ideas and solutions for Accessory Dwelling Units (ADUs). One of the primary goals was to curate a collection of pre-approved ADU model plans to make this housing type more accessible and affordable.
- The purpose of the design competition was to raise visibility around the benefits of ADUs as one way to relieve a countrywide housing shortage and to encourage housing affordability.
- Two contracts signed (three pending).

ENTRY DEADLINE:  
OCTOBER 14, 2024

### Sustainability Elements »»

- ADUs are naturally aligned with sustainable building practices. By working within an existing lot, builders minimize the environmental impact associated with new developments.

### Schedule Timeline »»

April 2025

Notify winners to negotiate contracts

July 2025

Award contract for finalists

December 2025

Contracts for ADU Standard Plans signed

January 2026

ADU Standard Plans Submittals

# McDowell Senior Center Renovation

## Human Services Department

District: 8

**Bond Allocation** »» \$1,760,919

[\(Bond Program Status\)](#)

### Project Scope»»

Renovate the historic McDowell Senior Center. Modernize HVAC equipment, update the electrical system, replace existing plumbing, update the fire suppression system, and restore the building envelope, interior office and meeting spaces.

### Project Contact Information

Name Alfonso Olivas

Phone 602-534-7301

E-Mail alfonso.olivas@phoenix.gov

### Updates »»

- Following the recent design review for the McDowell Senior Center, we've shared feedback with our design team and are now awaiting updated documents from DLR Group. Once received, we will submit the revised design package to the Facilities Review Committee and Planning & Development. The 100% Design Development submittal outlines key infrastructure upgrades, including HVAC replacements, electrical improvements, and structural reinforcements to support new rooftop equipment. Coordination across disciplines is ongoing to ensure compliance with City of Phoenix standards and project goals. Additionally, we have received the finalized construction cost estimate, which will inform the next steps in budget alignment and project scheduling.

### Sustainability Elements »»

- The project includes split system heat pumps, a dedicated outdoor air system, and other design elements to optimize ventilation, reduce energy consumption, conserve resources and minimize construction waste.

### Schedule Timeline »»

2024-25

Begin design

2025-26

Complete design & begin construction

2026-27

Complete construction
