Cactus Park Precinct Replacement

Police Department

District: 1

Bond Allocation >>> \$37,134,312 ([Bond Program Status](#))

Project Scope >>>

Acquire land and construct a replacement Cactus Park Precinct. Planned components include a new precinct structure, a separate mechanic shop with an attached shooting range, fuel facilities, and solar covered parking spaces that will offset the facility's electrical usage. The existing precinct facility is anticipated to be demolished as part of the project.

Project Contact Information

Name Amanda Markham **Phone** 602-299-9239
E-Mail amanda.markham@phoenix.gov

Updates >>>

- Project Management: Secured dedicated vertical project manager to lead projects through construction phases.
- Design Phase Preparation: Beginning architect selection process for October/November 2025 design phase kickoff.
- Environmental Assessment Completed: Comprehensive asbestos and lead TCLP survey completed for the property. No asbestos or lead was found; therefore, no abatement is necessary.
- Universal Waste Removal: Universal waste removal process underway by Southwest Hazard Control.
- Demolition: Demolition is in progress and is expected to be completed in late fall 2025.

Sustainability Elements >>>

Solar covered parking spaces designed to offset the facility's electrical usage, supporting the City of Phoenix's commitment to renewable energy and sustainable infrastructure development.

Schedule Timeline >>>

Equity Based Transportation Mobility

Street Transportation Department

District: Citywide

Bond Allocation >>> \$12,445,912 ([Bond Program Status](#))

Project Scope>>>

Design and construct recommended mobility improvements including curb, gutter, sidewalk, ADA ramps, streetlights, traffic calming, safe HAWK crossings, traffic signals, and tree/shade landscaping. Low Impact Development and Green Infrastructure may be considered in the design of these projects.

Project Contact Information

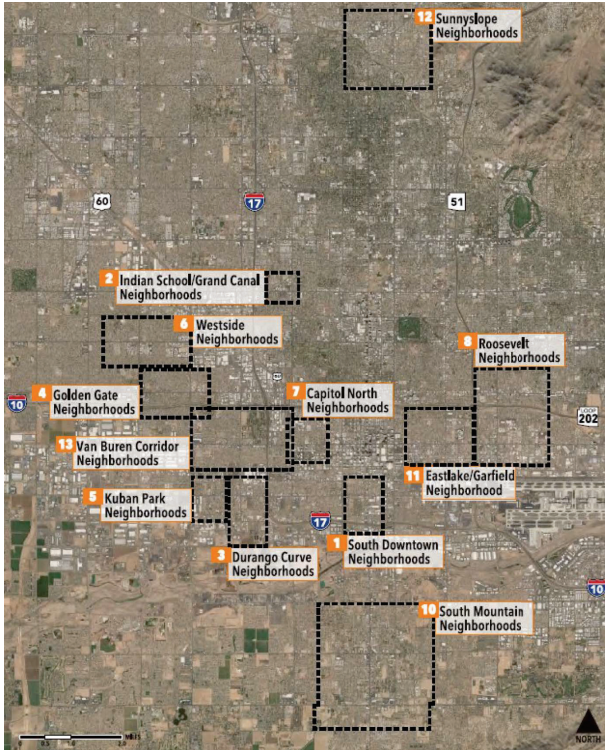

Name Brian Fellows **Phone** 602-534-2163
E-Mail brian.fellows@phoenix.gov

Updates>>>

- GO Bond funded Equity Based Transportation Mobility (EBTM) projects focus on the 12 Mobility Areas (MA) shown in the map:
- 2 projects in design for 2025-26:
 - MA 6 Osborn Rd: 43rd-35th Ave., sidewalk improvements
 - MA 10 South Mtn Ave: 1st-7th St., sidewalk improvements
- 4 projects planned for construction in 2025-26:
 - MA 7 19th-16th Ave: Polk St. - Roosevelt St., sidewalk improvements
 - MA 3 Phase 1, sidewalk improvements
 - HAWK: 7th St. & Wier Ave.
 - HAWK: Cave Creek Rd & Vogel Ave.
- 1 project planned for construction in 2026-27:
 - MA 8 Oak Street: 20th - 21st St., sidewalks improvements

Sustainability Elements>>>

- Green Stormwater Infrastructure (GSI) is being considered in the MA8 Oak Street: 20th - 21st St. sidewalks improvements project.

Schedule Timeline>>>

Fire Station 13

Fire Department

District: 6

Bond Allocation >>> \$21,605,820 ([Bond Program Status](#))

Project Scope >>>

Replace and upgrade Fire Station #13. Acquiring 3 acres of land in the vicinity of 50th Street and Thomas Road. Construct a new 18,000 square foot, 2-story, 4-bay fire station to support additional emergency response personnel and equipment. Acquire 2 new apparatus (1 pumper and 1 rescue vehicle). The existing fire station building will be retained and utilized to support the Community Assistance Program.

Project Contact Information

Name Suzanne Wang **Phone** 602-256-3158
E-Mail suzanne.wang@phoenix.gov

Updates >>>

- Land acquired in 2024-25.
- Anticipate station design in 2025-26.
- Anticipate construction in 2027-28.
- Following the opening of new Fire Station 13, anticipate 4-5 months for building modification efforts to prepare the existing fire station building for the Community Assistance Program (CAP). Anticipate occupancy to occur in 2028-29.

Sustainability Elements >>>

- The Fire Department has been very proactive in designing energy-efficient buildings. The Fire Stations are designed and built with insulated concrete forms in all conditioned spaces for energy savings and long-lasting buildings.

Schedule Timeline >>>

Fire Station 15

Fire Department

District: 5

Bond Allocation >>> \$21,263,728 ([Bond Program Status](#))

Project Scope>>>

Replace and upgrade Fire Station #15. Acquire approximately 3 acres of land in the vicinity of 45th Avenue and Camelback Road. Construct a new 18,000 square foot, 4-bay fire station to support additional emergency response personnel and equipment. Acquire 2 new apparatus (1 pumper and 1 rescue vehicle). The existing fire station building will be retained and utilized to support the Community Assistance Program.

Project Contact Information

Name Suzanne Wang **Phone** 602-256-3158
E-Mail suzanne.wang@phoenix.gov

Updates >>>

- City-owned land was identified and made available for the project. Land acquisition funding has been moved to 2025-26 as a potential additional construction and equipment funding resource. This is pending final construction and equipment cost estimates.
- Land acquired 2023-24.
- Station design completed in 2024-25.
- Construction contract awarded in 2024-25.
- Construction started in August 2025.
- Following the opening of new Fire Station 15, anticipate 4-5 months for building modification efforts to prepare the existing fire station building for the Community Assistance Program (CAP). Anticipate occupancy to occur in 2026-27.

Sustainability Elements >>>

- The Fire Department has been very proactive in designing energy-efficient Buildings. The Fire Stations are designed and built with insulated concrete forms in all conditioned spaces for energy savings and long-lasting buildings.

Schedule Timeline >>>

Fire Station 51

Fire Department

District: 1

Bond Allocation >>> \$18,414,372 ([Bond Program Status](#))

Project Scope >>>

Construct new Fire Station #51. Acquire land in the vicinity of 51st Avenue and SR 303. Construct a new 20,000 square foot, 5-bay fire station. Acquire 5 new fire apparatus (1 ladder, 1 ladder tender, 1 pumper, 1 hazardous material support vehicle and 1 rescue vehicle), as well as 1 new battalion chief vehicle.

Project Contact Information

Name Suzanne Wang **Phone** 602-256-3158
E-Mail suzanne.wang@phoenix.gov

Updates >>>

- Anticipate land acquisition in 2026-27.
- Anticipate station design in 2026-27.
- Anticipate construction in 2028-29.

Sustainability Elements >>>

- The Fire Department has been very proactive in designing energy-efficient buildings. The Fire Stations are designed and built with insulated concrete forms in all conditioned spaces for energy savings and long-lasting buildings.

Schedule Timeline >>>

Fire Station 7

Fire Department

District: 3

Bond Allocation >>> \$21,263,730 ([Bond Program Status](#))

Project Scope>>>

Replace and upgrade Fire Station #7. Acquire 3 acres of land in the vicinity of 4th Street and Townley Avenue. Construct a new 18,000 square foot, 2-story, 4-bay fire station to support additional emergency response personnel and equipment. Acquire 2 new apparatus (1 ladder and 1 rescue vehicle). The existing fire station building will be retained and utilized to support the Community Assistance Program.

Project Contact Information

Name Suzanne Wang **Phone** 602-256-3158
E-Mail suzanne.wang@phoenix.gov

Updates >>>

- City-owned land was identified and made available for the project. Land acquisition funding has been moved to 2025-26 as a potential additional construction and equipment funding resource. This is pending final construction and equipment cost estimates.
- Land acquired 2023-24.
- Design has been submitted for pre-approval to Planning and Development in 2025-26.
- Anticipate construction in 2026-27.
- Following the opening of new Fire Station 7, anticipate 4-5 months for building modification efforts to prepare the existing fire station building for the Community Assistance Program (CAP). Anticipate occupancy to occur in 2027-28.

Sustainability Elements >>>

- The Fire Department has been very proactive in designing energy-efficient buildings. The Fire Stations are designed and built with insulated concrete forms in all conditioned spaces for energy savings and long-lasting buildings.

Schedule Timeline >>>

Bond Allocation >>> \$19,095,527

[\(Bond Program Status\)](#)

Project Scope >>>

Implement the Hohokam Area Drainage Master Plan that was prepared in collaboration with the Flood Control District (FCD) of Maricopa County. Design and construct a series of storm water drainage basins and pipes that extends the existing storm drainage system in the area south of Baseline Road to Dobbins Road, and 14th Street to 21st Street.

Project Contact Information

Name Ryan Bentz

Phone 602-262-4050

E-Mail ryan.bentz@phoenix.gov

Updates >>>

- The Hohokam Drainage Program has been split into two sets:
- Hohokam Drainage Program - Set 1: Kimley Horn awarded the design contract. Currently at 60% design stage with design anticipating completion by January 2026.
- Hohokam Drainage Program - Set 2: Currently at the scope and fee negotiation in the procurement stage. Anticipate Notice To Proceed by next month.

Sustainability Elements >>>

- Green Storm-water Infrastructure (GSI) and Low-Impact Development (LID) elements will be utilized if warranted.

Schedule Timeline >>>

Bond Allocation >>> \$8,159,730

[\(Bond Program Status\)](#)

Project Scope >>>

Implement drainage mitigation options to reduce flood impacts in four areas of Laveen. These projects were recommended in the 2022 Laveen Area Drainage Feasibility Study. The City is partnering with the Flood Control District (FCD) of Maricopa County to share the cost of the design and construction of the project.

Project Contact Information

Name Ryan Bentz

Phone 602-262-4050

E-Mail ryan.bentz@phoenix.gov

Updates >>>

- The Intergovernmental Agreement (IGA) with Flood Control District of Maricopa County has been executed.
- The design contract is to be advertised in Fall 2025.
- The selection process is anticipated to be completed in Fall 2025.

Sustainability Elements >>>

- Green Storm-water Infrastructure (GSI) and Low-Impact Development (LID) elements will be utilized if warranted.

Schedule Timeline >>>

Maryvale Police Precinct Renovations

Police Department

District: 4

Bond Allocation >>> \$2,956,993 ([Bond Program Status](#))

Project Scope >>>

Renovate and update the Maryvale Police Precinct. Remodel several interior spaces. Install high efficiency LED lighting throughout. Replace aged A/C units and electrical equipment. Replace damaged block walls and asphalt surface. Replace roofing surfaces. Re-paint the exterior/interior.

Project Contact Information

Name Duane Rendon **Phone** 602-262-7049
E-Mail duane.rendon@phoenix.gov

Updates >>>

- Electrical gear has been installed.
- The installation of the LED lighting is complete.
- The A/C equipment has been installed and the roofing project is complete.
- A vertical project manager has been assigned and a scope of work for the remaining remodel projects is in discussion.

Sustainability Elements >>>

- N/A

Schedule Timeline >>>

Pavement Maintenance Supplement

Street Transportation Department

District: Citywide

Bond Allocation >>> \$21,812,742 ([Bond Program Status](#))

Project Scope >>>

Supplement the Accelerated Pavement Maintenance Program with additional funding for neighborhood street mill and overlay projects at an estimated \$1 million per residential quarter section. Scope includes surface preparation, ADA curb ramp replacement, asphalt milling and asphalt paving.

Project Contact Information

Name Ryan Stevens **Phone** 602-495-7560
E-Mail ryan.stevens@phoenix.gov

Updates >>>

- Preparation work, including crack sealing and curb ramp replacements (pictured), are ongoing in the 15 previously identified neighborhoods.
- One neighborhood is complete.
- New contracts are being procured to perform the remaining work.
- The next mill & overlay projects will begin in the of Fall 2025.

Sustainability Elements >>>

- Some locations are being evaluated to incorporate recycled asphalt pavement.

Schedule Timeline >>>

Police Property Management Warehouse Renovation

Police Department

District: 7

Bond Allocation >>> \$8,938,511 ([Bond Program Status](#))

Project Scope >>>

Renovate the Police Property Management Warehouse and secure the property for vehicle evidence currently stored at a different location. Construct a 1,600 square foot administrative building for the vehicle lot. Update and improve aging evidence preservation and storage equipment and spaces to optimize space utilization and provide a visitor lobby.

Project Contact Information

Name Duane Rendon **Phone** 602-679-8158
E-Mail duane.rendon@phoenix.gov

Updates >>>

- LED lighting installation is complete.
- A/C equipment has been installed.
- A vertical project manager has been assigned and a scope of work for the remaining Architectural and Engineering (Design) Services are in discussion.
- A vertical project manager has been assigned and a scope of work for the Construction Manager at Risk, to work alongside the Designer, is in discussion.

Sustainability Elements >>>

- N/A

Schedule Timeline >>>

Bond Allocation >>> \$2,500,000

[\(Bond Program Status\)](#)

Project Scope >>>

The Citywide Stormwater Management Plan is designed to establish a comprehensive, long-term strategy for managing stormwater within the city. This involves planning for development projects, improving drainage and stormwater systems, and introducing a Stormwater Asset Management program. It is expected that each year, one to two miles of old metal storm drainpipes will be replaced.

Project Contact Information

Name Nazar Nabaty, PE

Phone 602-262-4026

E-Mail nazar.nabaty@phoenix.gov

Updates >>>

- The consultant has been selected and project Scope and Fee are being negotiated and finalized.
- This design contract will be executed in Winter 2025 and will immediately initiate the initial study and data collection efforts.

Sustainability Elements >>>

- A robust asset management program will include condition assessments allowing for predictive measure to mitigate sinkholes caused by storm drain failures, protecting critical infrastructure and preventing environmental pollution.

Schedule Timeline >>>

Vision Zero Implementation

Street Transportation Department

District: Citywide

Bond Allocation >>> \$16,767,094 ([Bond Program Status](#))

Project Scope >>>

Supplement the Council-approved Road Safety Action Plan and leverage various Federal funding opportunities toward becoming a Vision Zero City. Identify, design, and implement roadway safety countermeasures that address locations and behaviors related to fatal and serious injury accidents.

Project Contact Information

Name Road Safety Team **Phone** 602-262-6284
E-Mail roadsafety@phoenix.gov

Updates >>>

- Staff identified 15 traffic signal modernization projects, 2 new traffic signals, 5 signalized mid-block pedestrian crossings, 1 pedestrian flashing beacon, and 9 street lighting projects.
- Design has begun for each location. Design is complete for the signalized mid-block pedestrian crossings at 37th PI & Thunderbird Rd and at 35th Ave & Waltann Ln. Design is also complete, and construction has begun, for a new signal at 24th St & Willetta St.
- The following link will provide the location of each project and provides a brief description of each project type:
www.phoenix.gov/roadsafety

Sustainability Elements >>>

- Modernized traffic signals can adjust timing, in real-time, to reduce vehicle emission. Signalized pedestrian crossing only stop traffic when there is a need for pedestrian or bicyclist to cross. Street lighting uses energy efficient lighting sources.

Schedule Timeline >>>

Branch Library at Desert View Civic Space

Library Department

District: 2

Bond Allocation >>> \$10,239,375 ([Bond Program Status](#))

Project Scope >>>

Design and construct a new 13,000 square foot branch library as part of the Desert View Civic Space. The library is anticipated to include a meeting space, programming area, computers, study rooms and library materials.

Project Contact Information

Name Tom Ramson **Phone** 602-534-7862
E-Mail tom.ramson@phoenix.gov

Updates >>>

- No update. See location on map at right.
- Master planning is anticipated to begin 2025-26.
- Design serives are anticipated to begin 2026-27.
- Construction is anticipated to start in 2027-28.

Sustainability Elements >>>

- Landscaping will be xeriscaped with drought tolerant plants.
- Internal plumbing fixtures will be low flow to comply with City standards.
- Equipment is expected to be Energy Star rated.

Schedule Timeline >>>

Branch Library at Estrella Civic Space

Library Department

District 7

Bond Allocation >>> \$8,517,463 ([Bond Program Status](#))

Project Scope >>>

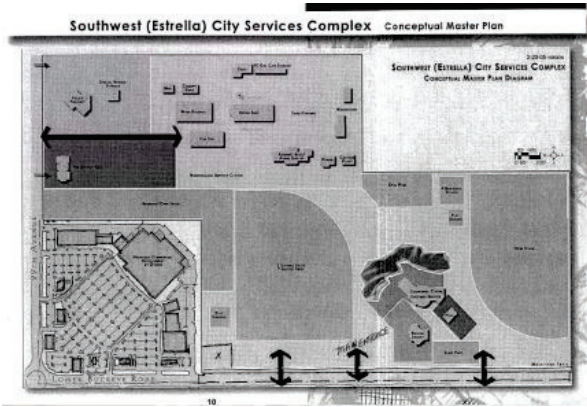

Design and construct a new 13,000 square foot branch library as part of Estrella Village Civic Space. The library is anticipated to include a meeting space, programming area, computers, study rooms and library materials.

Project Contact Information

Name Tom Ramson **Phone** 602-534-7862
E-Mail tom.ramson@phoenix.gov

Updates >>>

- 2005 master plan is in image to the right.
- Design services are anticipated to begin 2025-26.
- Construction is anticipated to begin in 2026-27.

Sustainability Elements >>>

- Landscaping will be xeriscaped with drought tolerant plants.
- Internal plumbing fixtures will be low flow to comply with City standards.
- Equipment is expected to be Energy Star rated.

Schedule Timeline >>>

City Facility ADA Improvements

Public Works Department

District: Citywide

Bond Allocation >>> \$10,000,000 ([Bond Program Status](#))

Project Scope >>>

Ensure ongoing compliance with the Americans with Disabilities Act (ADA) at City facilities. Complete prioritized improvements to signage, parking lots, ramps, doors, and other barriers to maximize access.

Project Contact Information

Name Robert Birchfield **Phone** 602-471-4015
E-Mail robert.birchfield@phoenix.gov

Updates >>>

- An ADA design consultant has assessed and provided scope of work drawings for 19 public facing sites.
- The scope of work primarily involves improvements to the ADA accessible route from parking to main entrance.
- Eighteen sites have plans approved with permits.
- Desert Sage Library and John F Long Family Services Center ADA improvements are complete.
- ADA improvements are in progress at South Mountain Community Center.
- In addition to the two sites completed and one site in progress, eight purchase orders have been awarded to a contractor.
- Washington Park Community Center will start in September.
- Ironwood Library will start in October.

Citywide Funding for Parks Minor Capital Projects

Parks and Recreation Department

District: Citywide

Bond Allocation >>> \$1,486,908 ([Bond Program Status](#))

Project Scope >>>

The GOPHX 2023 Bond program allocated \$1.5 Million for neighborhood parks minor capital improvement projects. The funding will be distributed evenly among each City Council District. A brochure with a selection of amenities will be made available to the community as potential projects and a selection process will score and select the final projects.

Project Contact Information

Name Felicita Mendoza **Phone** 602-262-6714
E-Mail felicita.mendoza@phoenix.gov

Updates >>>

- The Parks Department received 158 applications that were submitted, evaluated by an internal panel, and scored through a criteria process. 61 projects were awarded and communicated to community organizations in September 2025. Next steps include procurement of amenities and installation.

Sustainability Elements >>>

- N/A

Schedule Timeline >>>

Desert View Civic Space - Phase 1

Parks and Recreation Department

District: 2

Bond Allocation >>> \$8,304,695 ([Bond Program Status](#))

Project Scope >>>

Design and construct Phase 1 of the Desert View Civic Space. At completion, the Desert View Village Civic Space is expected to include a 40 acre regional park, a community center, a branch library, and a park and ride. Phase 1 consists of the civic space master plan, regional park design, construction of 1/2 of regional park amenities, and a 13,000 square foot branch library.

- Replacement of critical equipment, particularly mechanical systems, at three cultural facilities is in progress including Arizona Opera, Black Theatre Troupe, and the S'edav Va'aki Museum.

Sustainability Elements>>>

- N/A

Schedule Timeline>>>

Energy and Water Efficiency and Renewable Energy

Public Works Department

District: 7,8

Bond Allocation >>> \$14,000,000 ([Bond Program Status](#))

Project Scope >>>

Provide energy and water saving work that includes energy management building control systems, a solar array located on the 27th Avenue Waste Transfer Station adjacent landfill cap, and a cooling tower water savings program initiative.

Project Contact Information

Name Robert Birchfield **Phone** 602-471-4015
E-Mail robert.birchfield@phoenix.gov

Updates >>>

- Phoenix City Hall building automation system replacement project was substantially completed in September 2025 with punch list items in progress.
- The 27th Avenue Transfer Station Solar Project scope of work is being finalized for contract award.
- The Adams St. Parking Garage building automation system replacement work is scheduled to start October 2025.
- Construction is in progress for cooling tower water savings work at multiple sites out of the 9 site project. Work is scheduled for early 2026 completion.

Sustainability Elements >>>

- Update building automation control systems to assure reliable function of mechanical equipment resulting in energy waste avoidance. Optimally performing equipment promotes reduction in pollution and carbon footprint.

Schedule Timeline >>>

Bond Allocation >>> \$7,631,690 ([Bond Program Status](#))

Project Scope >>>

Expand the City's programs to mitigate urban heat and increase thermal comfort and safety, with an emphasis on tree planting, built shade, reflective surfaces, and green stormwater infrastructure. Projects prioritize City facilities, infrastructure, and right-of-way in places where residents are more vulnerable to heat-related hazards.

Project Contact Information

Name David Hondula Phone 602-534-1202
E-Mail david.hondula@phoenix.gov

Updates >>>

- The first Heat Resilience GO Bond project was completed in Spring 2025, with 261 trees and 1,616 shrubs planted at the new Phoenix Navigation Center, as well as the installation of multiple shade structures.
- The construction phase of multiple additional projects integrating Heat Resilience GO Bond funding is scheduled to begin this month. The Office of Heat Response and Mitigation is continuing to coordinate with partnering departments to complete the design and scoping phase of the full portfolio of Heat Resilience GO Bond projects.

Sustainability Elements >>>

- Projects in the design and scoping phase integrate multiple strategies to improve cooling and thermal comfort, including ambitious tree planting and shade structure elements as well as consideration of reflective surface materials.

Schedule Timeline >>>

Bond Allocation >>> \$21,433,996 ([Bond Program Status](#))

Project Scope >>>

Design and construct a world-class Latino Cultural Center in accordance with the Latino Center Ad Hoc Committee recommendations that were approved by City Council in September 2020. The funding level anticipates a 22,000 square foot facility with access to outdoor space, parking, and close to public transportation.

Project Contact Information

Name Romeo Rabusa Phone 602-534-8334

- The project is still in the planning phase with ongoing conversations between the nonprofit partner and Arts and Culture.

Sustainability Elements >>>

- N/A

Schedule Timeline >>>

Bond Allocation >>> \$23,500,000

([Bond Program Status](#))

Project Scope >>>

Acquire land and perform predevelopment activities that may include environmental assessments and cleanup necessary to prepare economically attractive sites along the Rio Salado for development.

Project Contact Information

Name

Thomas Sawyer

Phone

602-262-5040

E-Mail

Thomas.sawyer@phoenix.gov

Updates >>>

- City closed on the property, 3030 S. 7th Street, on March 26, 2025. This acquisition completely exhausted the Rio Reimagined Land Acquisition project fund allocation of \$23,500,000. Additional funding was required by the Community and Economic Development Department (CEDD).
- The City has assumed the lease of the current tenant, which expires on December 31, 2028. Tenant has been notified that the lease will not be renewed, & CEDD is working to support & facilitate the tenant’s transition in any way possible.
- CEDD will begin planning community engagement & concept plan development for the site to serve as a catalyst for the Rio Phoenix Community Plan 2025 — a transformative vision for revitalization along & beyond the banks of the Rio Salado.

Sustainability Elements >>>

- Part of larger RIO PHX project to create opportunities for housing, employment, recreation, art and ecological restoration.

Schedule Timeline >>>

Bond Allocation >>> \$2,500,000

[\(Bond Program Status\)](#)

Project Scope >>>

The Land Reuse Strategy Planning Area Plan was developed in 2017 to address the reuse and redevelopment of fragmented City-owned parcels located roughly between 7th and 16th Streets, Washington Street and University Drive. This program will fund the acquisition of private parcels, as they become available, to fill in ownership gaps and facilitate redevelopment in these areas.

Project Contact Information

Name Thomas Sawyer

Phone 602-262-5040

E-Mail thomas.sawyer@phoenix.gov

Updates >>>

- City purchased three vacant parcels, totaling 19,800 square feet, generally located at Grant St. and 11th St, on June 12, 2025. This acquisition continues to fill in ownership gaps for potential future redevelopment in this area and utilized the full 2024-25 GO Bond funding in this program year.
- This project has \$500,000 in funding allocated in each fiscal year of the program.
- Staff will continue to evaluate parcels adjacent to the City-owned land in the Spark areas. Key factors include if a parcel is vacant or underutilized or actively used in addition to title and environmental considerations. This process will be an ongoing effort throughout the bond program years due to property status changes over time.

Sustainability Elements >>>

- Acquisitions will further the Aviation PHX Land Reuse Strategy to foster redevelopment of underutilized land to trigger economic and job growth, neighborhood revitalization and enhancements.

Schedule Timeline >>>

Valley Youth Theatre Permanent Home

Arts & Culture Department

District: 7

Bond Allocation >>> \$13,902,756 ([Bond Program Status](#))

Project Scope >>>

Secure land, design and construct a new Valley Youth Center for the Arts to provide a permanent home for the Valley Youth Theatre. The center is planned to include a 300-seat feature theatre, a 99-seat studio theatre for smaller productions, office and meeting space, rehearsal/workshop space, dance studios, galleries and space for set, costumes, prop shops and storage.

Affordable Housing Property Preservation - Phase I

Housing Department

District: Citywide

Bond Allocation >>> \$32,844,302 ([Bond Program Status](#))

Project Scope >>>

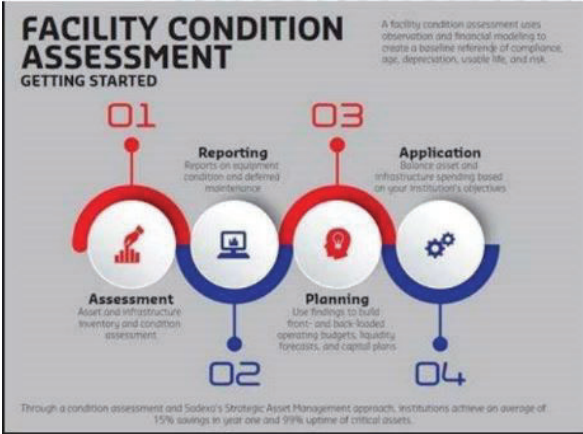

Preserve the Housing Department's affordable housing apartment communities by completing renovations where Facility Condition Assessments have identified critical physical needs. Funding will be used to complete Facility Condition Assessments and renovations, which may include structural repairs, electrical and mechanical improvements, HVAC replacements, exterior improvements and other work as needed.

Project Contact Information

Name Hector Leal **Phone** 602-853-5519
E-Mail hector.leal@phoenix.gov

Updates >>>

- The Facility Conditions Assessments were completed January 2025.
- The Affordable Housing Preservation - Phase 1 program is now moving onto the design phase.
- Design work is underway for 17 projects and the transition to construction is anticipated in Q1 2026

Sustainability Elements >>>

- N/A

Schedule Timeline >>>

Cesar Chavez Senior Center

Human Services Department

District: 8

Bond Allocation >>> \$5,679,287 ([Bond Program Status](#))

Project Scope>>>

The project involves conducting a comprehensive feasibility study, followed by the design and construction of a new 12,600 square foot multi-purpose senior center adjacent to the Cesar Chavez Community Center.

Project Contact Information

Name Alfonso Olivas **Phone** 602-534-7301
E-Mail alfonso.olivas@phoenix.gov

Updates>>>

• The City of Phoenix plans for the Cesar Chavez Senior Center following the completion of a feasibility study that evaluated six locations within Cesar Chavez Park. Parkway West (Site A) was selected as the preferred location due to its convenient access to parking, proximity to existing community center, & minimal disruption to the surrounding park environment. It has been sent for first-tier approval to initiate the design team selection process. Preliminary design concepts and cost estimates have already been developed. The scope of the project includes civil engineering, landscape design, and utility infrastructure improvements. The next steps in the project include refining the design plans, confirming budget allocations, and preparing bid packages for contractor selection & construction services.

Sustainability Elements>>>

• The design of this facility will strive to incorporate several sustainability elements including high efficiency lighting and HVAC systems, rainwater harvesting, and green storm water infrastructure.

Schedule Timeline>>>

Choice Neighborhoods Housing Development Gap Funding

Housing Department

District:8

Bond Allocation >>> \$21,109,843 ([Bond Program Status](#))

Project Scope>>>

Cover the increased cost for construction, materials, and labor to complete the final phase of the Edison-Eastlake Choice Neighborhoods redevelopment initiative. Phase IV, on the former 145-unit Sidney P. Osborn public housing site, will consist of 364 new and modern, mixed-income rental housing units (289 affordable and 75 market rate) to be redeveloped in three phases.

Project Contact Information

Name Brad Puffer **Phone** 602-256-3338
E-Mail brad.puffer@phoenix.gov

Updates >>>

- Phase One: Project construction underway with underground utility work and building foundations complete, and building framing in progress.
- Phase Two: Project construction underway with underground utility work and building foundations complete, and building framing in progress.
- Phase Three: Design at 50%. Financial closing and construction start anticipated in Q2 2026.

Sustainability Elements >>>

- Project includes energy-efficient LED lighting, water-saving fixtures, & good indoor air quality. Buildings & site support walkability & access to green spaces. Energy Star appliance package includes dishwasher, refrigerator, microwave, & range.

Schedule Timeline >>>

Innovation in Affordable Housing

Planning and Development Department

District: Citywide

Bond Allocation >>> \$1,000,000 ([Bond Program Status](#))

Project Scope >>>

Issue a Request For Proposals for design firms to work on developing pre-approved Accessory Dwelling Unit (ADU) building plans. A full set of Standard Plans and construction documents for ADUs will be created utilizing these funds. Approved Standard Plans will be available for use by City of Phoenix residents at no cost.

Project Contact Information

Name Miguel Victor **Phone** 602-534-7643
E-Mail miguel.victor@phoenix.gov

Updates >>>

- The City of Phoenix Planning and Development Department (PDD) will be partnering with the American Institute of Architects, Arizona (AIA) on a design competition that will inspire innovative ideas and solutions for Accessory Dwelling Units (ADUs). One of the primary goals is to curate a collection of pre-approved ADU model plans that will make this housing type more accessible and affordable.
- The purpose of the design competition is to raise visibility around the benefits of ADUs as one way to relieve a countywide housing shortage and to encourage housing variety/affordability. The design competition also aims to inspire the public with tangible examples of freestanding ADUs they could visualize in their neighborhoods.

Sustainability Elements >>>

- ADUs are naturally aligned with sustainable building practices. By working within an existing lot, builders minimize the environmental impact associated with new developments.

Schedule Timeline >>>

McDowell Senior Center Renovation

Human Services Department

District: 8

Bond Allocation **>>>** \$1,760,919 [\(Bond Program Status\)](#)

Project Scope >>>

Renovate the historic McDowell Senior Center. Modernize HVAC equipment, update the electrical system, replace existing plumbing, update the fire suppression system, and restore the building envelope, interior office and meeting spaces.

Project Contact Information

Name Alfonso Olivas Phone 602-534-7301
E-Mail alfonso.olivas@phoenix.gov

Updates >>>

• A scope change has been issued to the architectural firm to include infrastructure renovations, expanding the project to cover HVAC and mechanical systems, electrical upgrades, and fire safety improvements. The architectural team is responsible for delivering concept design, design development, and construction documents for both the building and site enhancements. The City of Phoenix Historic Preservation Office will ensure all renovations align with preservation standards. Final design documents will be submitted to the Preservation Office for review and approval prior to the start of construction. Construction Document plans are scheduled to go to plan review and permitting in mid-November. A cost estimate will be submitted by October for budget planning and final approvals.
