## Discussion of Presidential Executive Order 14042

This report transmits information to the City Council regarding the vaccine requirements for Federal contractors.

### **THIS ITEM IS FOR DISCUSSION AND POSSIBLE ACTION.**

#### **Summary**

On Sept. 9, 2021, President Biden issued Executive Order 14042 (<https://www.whitehouse.gov/briefing-room/presidential-actions/2021/09/09/executive-order-on-ensuring-adequate-covid-safety-protocols-for-federal-contractors/>) requiring Federal agencies to amend contracts with Federal contractors to implement COVID safety protocols in the workplace. Compliance with the Executive Order requires that "covered contracts" be amended to include language mandating vaccination of covered contractor employees. In November, additional guidance (<https://www.saferfederalworkforce.gov/contractors/>) was issued which clarified that the City is a covered contractor and all City employees are subject to the vaccine requirement.

#### **Responsible Department**

This item is submitted by the City Manager Jeffrey Barton, Assistant City Manager Lori Bays, the City Manager's Office, and the Law and Human Resources departments.
