

# 20th Street at Lookout Mountain Park Improvements

## NOTICE: Temporary Sewer Service Interruption – June 13

### Planned Work

Work crews are creating a temporary sewer bypass in order to add protective liner to the existing sewer line. Sewer service will be interrupted during this time.

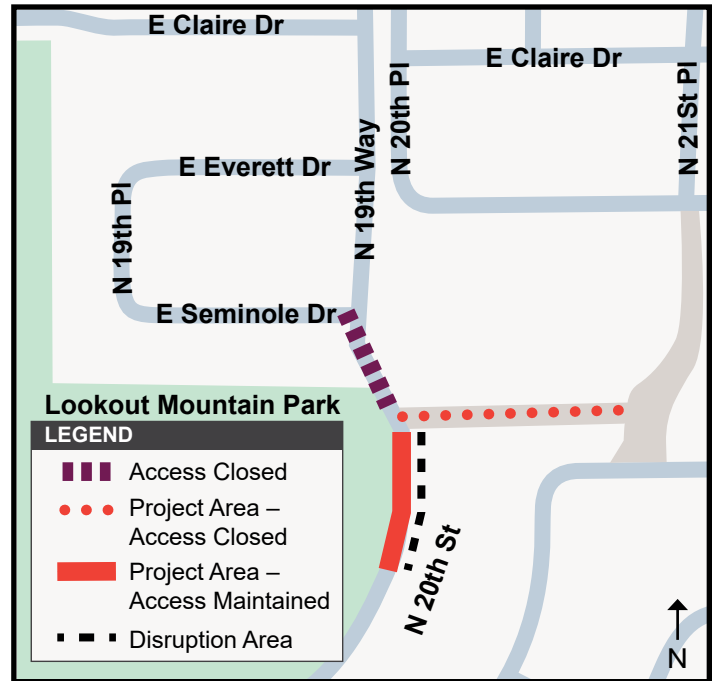

**Saturday, June 13**  
**8:00 a.m. – 4:00 p. m.**

If you have received this notice, please be advised that your residence is included in this temporary service interruption.

Residents should avoid the following:

- » Flushing toilets
- » Emptying liquids (including water) down sink or bathroom drains

Repeated drain usage during this time can lead to a risk of backed-up drains and flooding in your home.

### Project Purpose

City of Phoenix is conducting drainage improvement work to alleviate reported flooding issues affecting properties around N. 20th St. at Lookout Mountain Park.

### Project Timeline

Construction will be conducted from:
