Security Speed Lanes Coming Soon

New safety and security improvements are coming soon to the **Calvin Goode Building**. In the coming days, security speed lanes will be installed at the building's entrances and exits. You will need to tap your employee ID badge to open the clear panels of the speed lanes. They'll be very similar to the ones already in use in the Municipal Court Building.

Remember:

- Tap to enter
- Tap to exit
- No tailgating – each employee must tap their own badge, even when arriving in a group

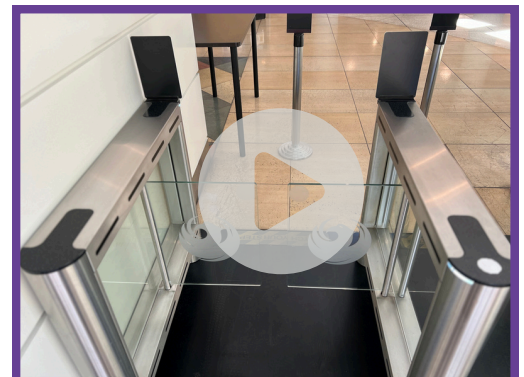

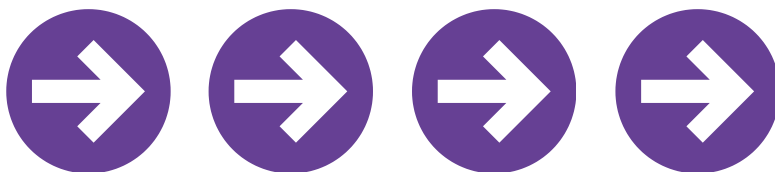

Expired Badges Will Not Grant Entry!

If your City of Phoenix badge is expired, it will not work on the speed lanes and you will be required to go through the public security screening and obtain a visitor badge. If your badge is expired or expiring soon, please **[begin the replacement process now!](#)** Future plans also call for the same security improvements at City Hall entrances.

If you have any problems tapping into the speed lanes, please email **sacproject@phoenix.gov**.

Phoenix History Walk

What with all the sidewalk decals around the City Hall campus? They're part of the Phoenix History Walk, an [America 250](#) exhibit celebrating our city, state, and region!

When you have some spare time, take the self-guided tour beginning at the northwest corner of 1st Ave. and Washington St. and follow the trail of 48 large, colorful decals on the sidewalk that highlight important moments in the history of the 48th U.S. state and the area that is present-day Phoenix.

Points of Pride

Inside the City Hall atrium, you'll also find 12 Points of Pride highlighted on decals on the floor just past the front desk. Scan the QR code on each one to access immersive, 360° videos of places like Camelback Mountain, St. Mary's Basilica, or the Orpheum Theatre.

You can use your phone to look up, down, and in all directions at each Point of Pride!

The Phoenix History Walk was a collaborative effort between the City Clerk Department's Printing, Design, and Mailing Services; the Public Works Facilities Operations Division; and the [Mayor's Office Official Historian Steve Schumacher](#).

Training Deadline is Friday, July 31

Please ensure you have completed the **second [Community Transparency Initiative](#)** (CTI) training, which is **required** for all staff. This new course, **due July 31**, familiarizes employees with the resources available should members of the public have concerns about federal immigration enforcement activity in Phoenix. The training also helps reinforce our shared responsibilities, clarify procedures, and ensure employees are prepared if City services or facilities intersect with federal law enforcement.

This training applies to employees who are full-time, part-time, seasonal, or temporary workers employed by the City, including interns, contractors under City supervision, and volunteers.

Log in to PHX You and check the “Action Items” section or click the button to the right for direct access to the course.

Special Event Coming to Downtown Phoenix

The City of Phoenix continues to be a premier destination for major events, which would not be possible without the exceptional work of City employees. Phoenix is excited to host the 2026 Xfinity U.S. Gymnastics Championships **August 6 - 9!**

Hosting this major event is a big win for our City, and shines a national spotlight on Phoenix. The event will bring visitors, boost the local economy and highlight all of the great work that City of Phoenix employees do to support these world-class events.

Celebrating Our Fourth PSO Cohort

We are excited to recognize the graduation of our fourth cohort of the Phoenix Supervisor Orientation (PSO) program. This month, 30 supervisors representing 15 City departments/offices completed the eight-week learning experience designed to build a strong, aligned foundation for leadership citywide.

PSO ensures every City supervisor begins with a shared baseline of knowledge, skills, and expectations that support consistent, high-impact leadership across our organization. Participants come together for a half day each week to learn essential supervisory tools and develop connections that will support them throughout their City careers.

Newly hired or newly promoted City supervisors are automatically enrolled in PSO, and a new cohort launches each month. If you have questions or would like more information about joining an upcoming cohort, email PSO@phoenix.gov.

Featured Job of the Week

Senior Reviewer

Office of Accountability & Transparency Department

Close Date: Aug. 6, 2026

The City of Phoenix's Office of Accountability and Transparency (OAT) reviews administrative investigations involving Phoenix Police Department members and recommends improvements to leadership and the Civilian Review Board.

OAT is hiring Senior Reviewers to evaluate investigations, assess evidence and procedures, write clear, professional reports, and handle public complaints and commendations with tact and compassion. Reviewers also support office functions such as community engagement, mediation, and administration.

Ideal candidates are detail oriented, analytical communicators with strong writing skills, sound judgment, and the ability to work independently and collaboratively. They should be able to navigate sensitive situations, maintain confidentiality, and understand City administrative rules, police operations, and relevant statutes and policies.

SALARY DETAILS:

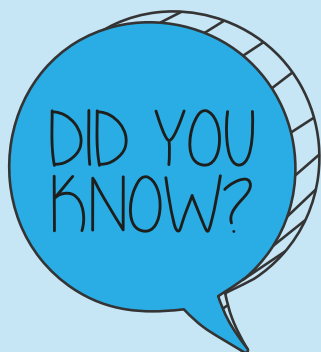

**Pay Range: \$82,056 - \$121,243
annually**

**Hiring Range: \$82,056 - \$99,736
annually**

Pay Range Explanation:

- Pay range is the entire compensation range for the position classification.
- Hiring range is an estimate of where you can receive an offer. The actual salary offer will carefully consider a wide range of factors, including your skills, qualifications, experience, education, licenses, training, and internal equity.
