

The background of the entire page is a detailed mosaic artwork. It depicts a large, colorful bird, possibly a phoenix or a similar mythical creature, with its wings spread. The bird is rendered in various shades of purple, blue, yellow, and red. To the left of the bird are several flowers in orange, yellow, and red. The mosaic is composed of small, irregular tiles in a variety of colors, creating a vibrant and intricate scene.

Important Follow-up Staff Training on CTI

Across all departments and initiatives, the City is committed to equipping employees with the tools and knowledge needed to deliver consistent and community-focused service. As part of this effort, a **second Community Transparency Initiative (CTI)** training is now **required** for all staff. This new course familiarizes employees with the resources available should members of the public have concerns about federal immigration enforcement activity in Phoenix.

The training also helps reinforce our shared responsibilities, clarify procedures, and ensure employees are prepared if City services or facilities intersect with federal law enforcement.

Like the first video, this training applies to employees who are full-time, part-time, seasonal, or temporary workers employed by the City, including interns, contractors under City supervision, and volunteers.

Log in to PHX You and check the “Action Items” section or click the button to the right for direct access to the course. This training must be completed by **July 31**.

Your Future, Your Move: Level Up Your Finances

Boost your financial confidence! **COPERS** is launching new financial wellness classes to help you take charge of your money and plan your future.

Whether you're just starting your career or gearing up for retirement, these sessions are built to support your success.

Join us through August—online or in person. Find all sessions in PHXYou: **RET110–RET130**.

Congratulations!

On May 21, the Engaging Leader Program celebrated its 24th graduating class. There were 38 participants from 17 City departments in this class. Over five months, employees strengthened their leadership skills through a mix of in-person and virtual sessions. They dove into self-awareness, team dynamics, organizational leadership, and change management—then put their learning into action through a group project.

Featured Job of the Week

Executive Administrative Assistant City Manager's Office (Internal Only)

(Close Date June 15, 2026)

The City Manager's Office is seeking at least one dedicated and detail-oriented Executive Administrative Assistant to support the City Manager. The position is classified as Secretary to the City Manager (NC). In this position, you will coordinate electronic calendars and appointments, provide advanced executive support, and ensure that administrative procedures and policies established by the City Manager are adhered to.

This position is charged with a high level of responsibility over a variety of administrative functions and must be able to work with minimal supervision and a high level of professional judgement. The incumbent works closely with the Management Assistants throughout the City Manager's Office and will be made privy to operating issues in the City Manager, Assistant City Managers, and Deputy City Manager's work activities. Work is often performed under critical time deadlines and on issues and topics where confidentiality is paramount.

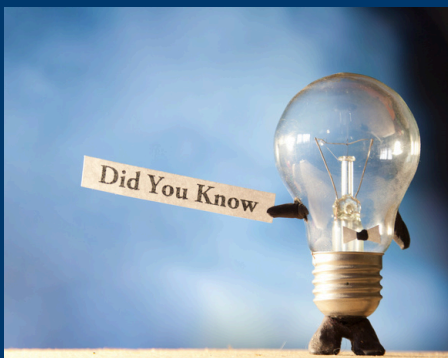

SALARY DETAILS:

Pay and Hiring Range:
\$53,164.80 - \$116,022.40 annually

Pay Range Explanation:

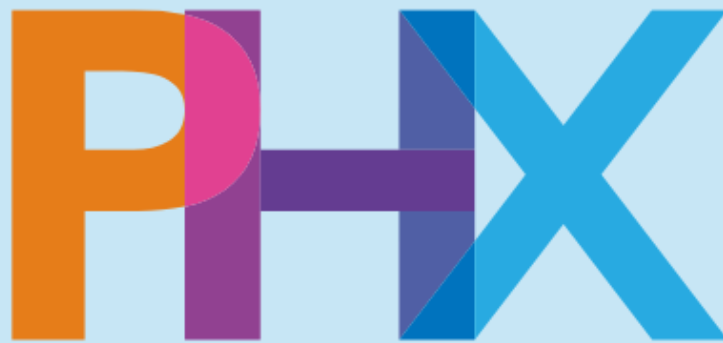

- Pay range is the entire compensation range for the position classification.
- Hiring range is an estimate of where you can receive an offer. The actual salary offer will carefully consider a wide range of factors, including your skills, qualifications, experience, education, licenses, training, and internal equity.
