# EGGCELLENT ADVENTURE

SATURDAY, MARCH 28, 2026

Join us for Deer Valley Community Center's annual Eggcellent Adventure. Families can enjoy age-specific egg hunts, crafts, games, community booths, and more throughout the event. This free family event is open to children ages 0-12.

The open Family Hunt at 1:00pm is for families who prefer to hunt together rather than by age group. All family members must be enrolled for this timeslot.

The ADA accessible Hunt at 1:30pm is designed for participants who may need additional time or assistance finding eggs. This timeslot will feature beeper eggs and other adaptive options.

Families can complete the event scavenger hunt sheet for a chance to win the family raffle. Turn in your completed sheet with contact info, winners will be contacted after the event to claim the raffle prize.
