

This certification must be completed by a property owner and/or their authorized agent before plans or permits are approved or issued for any part of this project. Use or occupancy of any part of this project without final approval from the City of Phoenix (City) is a violation of the Phoenix City Code. Submit the completed to the Planning and Development Department (PDD) as required by the appropriate plan review checklist. This includes but may not be limited to the following plan reviews: **Water Mains, Sewer Mains, and Stormwater Management Plans**. For questions or more information please contact the Civil Permits Counter at (602) 262-6551 voice or 7-1-1 TTY.

Environmental Responsibility Acknowledgement and Certification

As the property owner, or an agent authorized by the property owner, by signing below I acknowledge and understand that this project and the activities related to this project may be subject to county, state, tribal and federal rules, regulations, laws, and permitting. In addition, I certify that all requirements or conditions of these rules, regulations, laws, and/or permits will be complied with to the best of my knowledge.

These include but are not limited to:

- Air Quality / Dust Control
- Archaeological, Cultural, and Historic Resources
- Arizona Department of Environmental Quality Permitting
- Asbestos / Lead Abatement Act
- Endangered Species Act / Migratory Bird Treaty Act
- Hazardous Substances
- Clean Water Act (Section 404, Water Quality)

This publication can be made available in alternate formats (Braille, large print or digital media) upon request. Contact Planning & Development at (602) 262-7811 voice or (602) 7-1-1 TTY.

Rules, Regulations, Laws and/or Permits (continued)

- Comprehensive Environmental Response Compensation and Liability Act (CERCLA / Superfund)
- Maricopa County Environmental Health Department Regulations (Septic Systems, Wells, Water / Wastewater, Vector Control)
- National and Arizona Pollutant Discharge Elimination System Permits (NPDES / AZPDES)
- Resource Conservation and Recovery Act (Hazardous Waste)
