

Backflow Prevention Program
438 West Adams Street / Phoenix, Arizona 85003

The city of Phoenix requires the following documentation from all companies who wish to be on the city's list of Backflow Test Companies:

1. Backflow Tester Application Form
A form must be filled out for each tester
2. Contractor's License from Arizona Registrar of Contractors
Telephone number 602-542-1525
See Note below
3. City of Phoenix Privilege (sales tax) License
Telephone number 602-262-6785
4. Backflow Prevention Assembly Tester Certificate
5. Backflow Prevention Assembly Repairers Certificate
6. Test Kit Calibrations

Note: If you will only be testing backflow preventers and will not be engaged in any work that requires a permit, a contractor's license is not required.

In lieu of a contractor's license, submit all other items along with a signed and dated letter stating you will only be testing and do not require a contractor's license.

The following documents will be provided by the city of Phoenix Backflow Prevention Program. All test results should be provided on the city's Backflow Prevention Assembly Test Report form.

1. Backflow Tester Application Form
2. Backflow Prevention Assembly Test Report
3. Backflow Assembly Test Form Instructions
