

Backflow Prevention Program 438 West Adams Street / Phoenix, Arizona 85003

The city of Phoenix requires the following documentation from all companies who wish to be on the city's list of Backflow Test Companies:

- Backflow Tester Application Form
 A form must be filled out for each tester
- Contractor's License from Arizona Registrar of Contractors Telephone number 602-542-1525 See Note below
- 3. City of Phoenix Privilege (sales tax) License Telephone number 602-262-6785
- 4. Backflow Prevention Assembly Tester Certificate
- 5. Backflow Prevention Assembly Repairers Certificate
- 6. Test Kit Calibrations

Note: If you will only be testing backflow preventers and will not be engaged in any work that requires a permit, a contractor's license is not required.

In lieu of a contractor's license, submit all other items along with a signed and dated letter stating you will only be testing and do not require a contractor's license.

The following documents will be provided by the city of Phoenix Backflow Prevention Program. All test results should be provided on the city's Backflow Prevention Assembly Test Report form.

- 1. Backflow Tester Application Form
- 2. Backflow Prevention Assembly Test Report
- 3. Backflow Assembly Test Form Instructions
