Officer Charged in On-duty Accident

DATE: March 14, 2025
LOCATION: Buckeye Road & I-17 Freeway access
Report: 2025-00377935

(November 12, 2025) The Phoenix Police Department is committed to accountability and transparency with our community.

Recently, one of our officers was involved in an on-duty traffic collision in which investigators estimate his speed at more than 50 miles per hour over the posted limit. Following a thorough review and complete investigation, the Department submitted the report to the Maricopa County Attorney's Office for criminal charges related to this incident. A Grand Jury subsequently charged the officer with aggravated assault and endangerment.

This is a serious matter. Our officers are expected to uphold the same laws they enforce, and when standards are not met, we have an obligation to act. Our responsibility to the community requires that we address this situation openly and directly.

The Phoenix Police Department remains focused on ensuring that public safety, professionalism, and accountability guide every decision we make.
