Fatal Collision

On March 14th, 2026, around 1:36 a.m., officers responded to the area of 60th Avenue and Indian School Road in response to a collision. When officers arrived, they found the two involved vehicles. The passenger in one vehicle was located with life-threatening injuries and transported by Phoenix Fire Personnel to a local hospital where he later died. The driver of that vehicle fled the scene prior to police arriving. The adult male driver and adult female passenger of the second vehicle also had injuries and were transported by Phoenix Fire personnel to the hospital with non-life-threatening injuries.

Detectives from the Vehicular Crimes Unit responded to take over the investigation. Preliminary information indicates the driver of the first vehicle failed to control his vehicle and crossed into oncoming traffic colliding with the second vehicle, before fleeing the scene. The driver of the second vehicle was evaluated and showed no signs of impairment. Detectives continue to investigate the circumstances of the crash, and additional details will be released as they become available.
