**Location:** 4700 West Beardsley Road  
**Victim:** Edith Ochoa (17 years old) Female, deceased  
**Passenger:** Adult Male (20 years old), transported, non-life-threatening

## **Single-vehicle ATV collision overnight leaves driver dead, passenger injured.**

(September 23, 2024) A single vehicle ATV rolled over in the early morning hours Monday, injuring a passenger and ejecting the driver, who did not survive.

On Monday, September 23, 2024, just before 4:00 AM, a 2017 Canam ATV driven by 17-year-old Edith Ochoa, with a man in the passenger seat, lost control while westbound on Beardsley Road from 47th Avenue after leaving the road and driving onto the dirt shoulder. The vehicle rolled and Edith was ejected. Phoenix Fire personnel arrived and located the male passenger already out of the vehicle who reported being injured. He was transported to the hospital for treatment. Edith was pronounced deceased on scene. Detectives from the Phoenix Police Vehicular Crimes Unit arrived to assume the investigation. It was determined that the ATV was the only vehicle involved. Impairment on the part of the driver is still under investigation. Further details remain part of the ongoing investigation. No one else was injured in this collision.
