Central City Precinct partners with office of Homeless Solutions and Neighborhood Services Department for ongoing enforcement in the downtown area.

We thank these city departments for their collaboration. These efforts will be ongoing.

City of Phoenix

RAILROAD CLEANUP RESULTS

The resource team partnered with Neighborhood Services, OHS, and Railroad police (BNSF & Union Pacific) to clean up and do enforcement along the railroad tracks in our precinct. We made a few arrests and cited several for trespassing on the railroads. The main problem areas were 21st Avenue, 19th Avenue and 17th Avenue with large encampments. It was a big logistical lift to get this done. Here are some before and after pictures.

Central City Precinct Officers and Resource team will continue to monitor these areas to prevent future encampments.

UPCOMING EVENTS

Honor Our Fallen Heroes

Join us for the 2026 Honor Run/Walk and help us remember the brave officers of the Phoenix Police Department who gave their lives in service to our city. Whether you're chasing a personal best or walking with your family, every step you take honors their sacrifice.

See website below to register.

TRAVELING SKY HARBOR

Opportunities to Grow Your Career or Business at Phoenix Airports

Phoenix Sky Harbor International Airport is considered the economic engine of the state, and it's also an innovative place to conduct business.

America's Friendliest Airport® has a proud history of recognition for its business successes and innovations. We've received Airport of the Year from the Airport Minority Advisory Council in 2024 for our contributions toward Disadvantaged Business Enterprise and Airport Concessions Disadvantaged Business Enterprise goals. PHX was also awarded a Business Excellence Award from the Tempe Chamber of Commerce and Employer of the Year recognition from Women in Transportation.

Not surprisingly, people have wanted to learn more from us about how to do business with the Phoenix Airport System. We have conducted outreach efforts like Business Information Meetings, quarterly Business Education Series events, and most prominently, the annual Aviation Business Summit.

The City of Phoenix Aviation Department invites interested businesspeople and entrepreneurs to the eighth Aviation Business Summit on March 10, 2026. This dynamic event offers valuable insights into how to do business with Phoenix Sky Harbor, Deer Valley, and Goodyear airports. Previous workshop topics have covered information on the city's procurement process, the security and badging process, upcoming opportunities, and much more. Many exhibitor booths will be on hand. This event has grown each year, and participants have applauded the informational sessions, expert panels, and important networking opportunities that are offered to help them connect, learn, and grow.

This free event gives attendees the chance to:

- Learn how to do business with our airports.
- Network with staff, community agencies, and fellow businesses.
- Attend sessions packed with tools, insights, and resources.

The Aviation Business Summit is a free event and will be hosted at Warehouse 215 in Phoenix. Event registration closes at noon on March 6, 2026, or once capacity is reached. For more information and to get registered please visit <https://registration.socio.events/e/bizsummit2026>.

Questions? Reach out to busopps.aviation@phoenix.gov and you can visit skyharbor.com for more information on this and other business outreach events

The City of Phoenix Aviation Department, which owns and operates Phoenix Sky Harbor, Phoenix Deer Valley and Phoenix Goodyear airports, is committed to continuing to grow and encourage outreach with the small business community.

For more information on how to do business with the Aviation Department and a link to information on getting certified as a Small, Disadvantaged, or Airport Concessions Disadvantaged business, please visit the Business Outreach page on skyharbor.com.
