S'edav Va'aki Museum

Public Outreach Information

The museum offers an outreach program, which includes a volunteer or staff member coming to your site and providing a presentation. The programs focus on the Ancestral O'odham. Customized programs are available with additional lead time and fees, including crafts/activities. Maximum size 30 participants/program and no more than two programs/day. Please submit a request to museum staff if your participant count exceeds 30, which may be subject to an additional fee. Facilitators may be asked to assist with the programs and craft activities. Outreach requests must be made at least 4 weeks in advance.

Outreach Program: \$100.00*

*An additional fee will be required for multiple programs exceeding one hour. If your location is more than 20 miles from the S'edav Va'aki Museum, a travel charge of \$25.00 will be added.

Presentations available:

- The First Farmers of The Desert (all ages)
- Other topics upon request (e.g. pottery, petroglyphs, desert plants and animals)

Arts and Crafts: \$4.00 per participant/craft

Crafts include plaster petroglyphs, sandpaper pictographs, pony bead corn, prehistoric pottery, paper shell jewelry, yucca and agave cordage, and embellished desert tortoise

Activities: \$5.00 per participant

Using pre-assembled kits filled with multiple, familiar objects, students will learn about the archaeological method of classification. This method of grouping objects based on their attributes helps answer questions about customs, practices, activities and rituals that are important to a community. Classification is not only used in archaeology, but other sciences as well.
