2024-2025 Annual Action Plan

The City of Phoenix is commencing with the U.S. Department of Housing and Urban Development's (HUD) FY 2024-2025 Annual Action Plan. Every five years, the city of Phoenix partners with the community to develop a strategic Consolidated Plan. The plan defines strategies to address housing, community development needs, and current market conditions in order for the city of Phoenix to make informed decisions on an estimated \$135 million in HUD grant funding. Grants include the Community Development Block Grant (CDBG), Home Investment Partnership (HOME), Housing Opportunities for Persons with AIDS (HOPWA), and Emergency Solutions Grant (ESG). Each year, the city will

implement those strategies identified through the 5-year Consolidated Plan through an Annual Action Plan.

Your input is needed to help identify and prioritize community needs in housing and homelessness, community and economic development, infrastructure and enhancement, and public services and facilities and the best methods and programs to address those needs for the 2024-2025 Annual Action Plan.

The 2024-2025 Annual Action Plan Survey will be open from October 23, 2023, through January 5, 2024, and can be accessed at <https://www.phoenix.gov/yourvoice> in both English and Spanish.

In the Spring of 2024, a virtual public hearing will be held to share the results of the 2024-2025 survey and provide an opportunity for public input on the draft 2024-2025 Annual Action Plan.

For further information, please call Alicia Springs at 602-495-7509.
