

City of Phoenix

OFFICE OF THE CITY COUNCIL
Vice Mayor Jim Waring
District 2

I am against placing parking meters in city parks. Mismanagement has led to the City's budget problems. The money the City anticipates making off of these parking meters won't go towards making improvements in parks, but will go to the general fund as a way to close the deficit. The City Council should vote on the parking meters so the public knows where elected officials stand.

A handwritten signature in black ink, appearing to read "Jim Waring".

Jim Waring
City of Phoenix – Vice Mayor
