Newsletter

Dear District 7 Resident,

I'm emailing you today to update you on critical, innovative that we are rolling out from the City of Phoenix, as well as events my office is hosting to strengthen communities everywhere.

First up, Phoenix just voted to [adopt the 2021 Climate Action Plan](#) (CAP.) This is a monumental moment in our city's history that will guide how we respond to the climate crisis and help to deliver quality of life for every resident.

From creating 100 miles of "cool corridors" by 2030 to transitioning all city fleets to alternative fuels, these are critical steps to combat extreme heat, clean up our air & water, and ensure that Phoenix is looking toward the future.

In #PHXD7 this fall, we hosted a stakeholder roundtable in Maryvale, attended a community cleanup in Laveen and visited new local businesses in Downtown Phoenix.

As we head into a busy holiday season, continue to read below to learn how to stay engaged with our office, get vaccinated (or get your booster!) and attend our inaugural Pride On the Block Party happening this Sunday, Oct. 24!

I've had the absolute pleasure of being your councilwoman for 6 months now. And I'm so thankful for your collaboration and thoughtfulness in helping me build a stronger, more sustainable and equitable District 7.

Sincerely,

Councilwoman Yassamin Ansari
