This 2-DAY workshop is designed to assist you in refreshing and/or developing the career planning skills you need to keep a competitive edge in the labor market. You will learn how to take intentional steps towards your purpose, vision and goals in your career by remaining laser-focused and incorporating fundamental principles of success. You will learn how to position yourself to be highly productive for yourself and your career. You will also learn how to acknowledge the human side of the equation: your ego, emotions, feelings and strengths. Please plan on attending both days.

13 The Winner’s Spirit   8:30 a.m. - 12:30 p.m. Christine French Karen Thomas North Phoenix Baptist A213
YOU are a WINNER! Yes YOU! All the happenings in the world around us these days have created confusion. Many of us feel like we are driving in a dust storm. It’s hard to see where we are, who we are, where we are going, and especially to remember that we are WINNERS. It’s time to take a break, to get out of the storm, to regain our perspective and refocus on the WINNER that you are! Workshop learning objectives include how to “weed-out” self-defeated behavior, “re-identify” the characteristics of a WINNER and create an action plan to recapture the essence of the WINNERS that we are!

The economic downturn has given employers an upper hand in the labor market as the competition amongst job seekers continues to increase. So how do you get yourself and your resume noticed? This workshop will show you today’s leading tools to power your job search, from posting your resume on the Internet, to creating a strong professional network. This workshop is designed to appeal to a wide variety of populations as it will cover the basics of Internet use: terminology, search engines and e-mail set up. There will also be a breakdown of how to attach a document (resume) in e-mail as well as on job search sites. We will then explore effective ways to research the industry market, projected job growth, salary and company information. Finally, we will discuss the importance of social networking by looking at major networking sites such as LinkedIn.com. We will explore the mindset of the employer and the new ways they are using technology and the Internet to post jobs and seek out their perfect match.
