Over the past five years, Phoenix Community and Economic Development has been part of tremendous growth. Our mission is to create high value jobs for our community. We are proud that this team contributed to the creation of one in five new jobs in the Phoenix metro area. In 2018 alone, Community and Economic Development team members were involved with $1.7 billion, a record for new Phoenix capital expenditures. We continue to experience strong job growth in targeted industries, bringing positions offering higher salaries and greater job stability to grow a sustainable Phoenix economy.
