POWERED BY  
**GATEWAY COMMUNITY COLLEGE**  
A MARICOPA COMMUNITY COLLEGE

Learn to design, problem-solve and build new things at the state -of-the-art Phoenix Forge makerspace

Phoenix Forge is a community makerspace providing access to tools, equipment, and experts to help makers spark imagination and turn their creative ideas into reality. Want to build a table, an upholstered chair, metal sculpture, a robot, a bicycle, or a new invention? You can make all of these things and more while learning and becoming part of the community at Phoenix Forge.

Nestled in downtown Phoenix, Phoenix Forge is the largest makerspace in Arizona providing open access to tools and space while also providing beginner-level classes at affordable rates.

## Phoenix Forge classes include instruction from experts in the following:

- Electronics/Robotics
- Metal Fabrication/Welding
- Woodworking
- Glass blowing
- Textiles & Screen Printing

Phoenix Forge has a bold vision to be a space for entrepreneurs, students and every day makers with the vision to build a diverse community space where anyone can imagine, explore, learn, build and make.
