CITY AUDITOR REPORT

To the Chief Financial Officer,

We have assessed the Finance Department's (Finance) **March 2021** Monthly Financial Report (MFR) in accordance with the agreed-upon procedures engagement between Finance and the City Auditor Department (Audit). The City Charter requires Finance to prepare a monthly, written report to the City Council detailing expenditures, revenues, and the City's financial condition. Finance is responsible for compiling an accurate and complete MFR. Finance and Audit entered into an agreed-upon procedures engagement for the assessment of the MFR on October 7, 2020.

The agreed-upon procedures include the following:

- Verification of mathematical calculations presented within the MFR, and
- Reconciliation of stated financial data presented within the MFR to historical data supplied by Finance.

This engagement was conducted in accordance with the attestation standards established by Generally Accepted Government Auditing Standards (GAGAS). Because the agreed-upon procedures listed above do not constitute an examination or a review, we will not express an opinion on the MFR as a whole. Had we performed additional procedures, other matters may have come to our attention which would have been reported. The sufficiency of the procedures is solely the responsibility of parties specified in the agreed-upon procedures engagement agreement.

Based on the agreed-upon procedures, we verified that the presented financial data was mathematically accurate and tied to historical data presented in the MFR.

Sincerely,

Ross Tate City Auditor

Ran Jate
