* - For prior years-total actual expenditures, for current year-total approved budget net of adjustment for contingencies.

Monitor & Consider Corrective Action

In order to have a better comparison to prior year actuals, contingencies will only be included in the annual budget to the extent that they have been spent. The general fund provides for core City functions that are not provided by dedicated revenue streams. It does not include services provided by dedicated taxes, grants, bond proceeds or enterprise fund revenues. Although the budgeted general fund expenditures for fiscal year 2015-16 are only 0.6% higher than the budget for fiscal year 2014-15, due to cost savings achieved in fiscal year 2014-15 the budget is 5.6% over fiscal year 2014-15 actuals. Through September 2015, general fund expenditures are 9.3% higher than through September 2014. General fund expenditures have been nearly flat over the past 3 years with FY2014-15 only showing a 1.3% increase over FY2012-13.

General fund general government expenditures through September 2015 are 38.5% higher than the same period in the prior year. In fiscal year 2014-15 the movement of costs away from the General Fund related to the tech plan and RWC was posted in August, resulting in lower General Fund general government costs. Those expenditure transfers have not yet occurred in fiscal year 2015-16. Additionally, in fiscal year 2015-16 the City paid a \$4.2 million assessment to the State related to the tax simplification project. The fiscal year 2015-16 budget includes a 14.4% increase over fiscal year 2014-15 actuals.

Fiscal year 2014-15 general fund general government expenditures were the lowest annual total since fiscal year 2010-11.

Monitor & Consider Corrective Action

Criminal justice expenditures include costs for municipal courts and public defenders. General fund criminal justice expenditures through September 2015 are 25.4% higher than the same period in the prior year. Due to the implementation of e-procurement, the annual contracts for outside legal service were completely encumbered in July rather than showing as expenditures only at the time of payment resulting in the year over year variance. We expect this variance to decrease over the course of the fiscal year as the outside legal services are utilized. The fiscal year 2015-16 budget includes a 5.2% increase over fiscal year 2014-15 actuals. General fund criminal justice expenditures for fiscal year 2014-15 were lower than the previous four years.
