Better than Expected

In order to have a better comparison to prior year actuals, contingencies will only be included in the annual budget to the extent that they have been spent. The general fund provides for core City functions that are not provided by dedicated revenue streams. It does not include services provided by dedicated taxes, grants, bond proceeds or enterprise fund revenues. Although the budgeted general fund expenditures for fiscal year 2015-16 are only 0.6% higher than the budget for fiscal year 2014-15, due to cost savings achieved in fiscal year 2014-15 the budget is 5.6% over fiscal year 2014-15 actuals. Through October 2015, general fund expenditures are 2.1% higher than through October 2014.

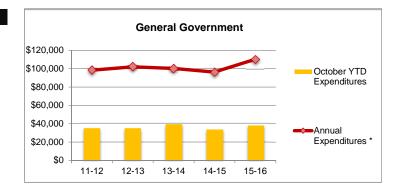

General fund expenditures have been nearly flat over the past 3 years with FY2014-15 only showing a 1.3% increase over FY2012-13.

In fiscal year 2015-16 the City paid a \$4.2 million assessment to the State related to the tax simplification project. The fiscal year 2015-16 budget includes a 14.5% increase over fiscal year 2014-15 actuals.

Monitor & Consider Corrective Action

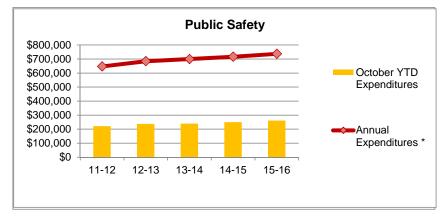

Criminal justice expenditures include costs for municipal courts and public defenders. General fund criminal justice expenditures through October 2015 are 14.0% higher than the same period in the prior year. Due to the implementation of e-procurement, the annual contracts for outside legal service were completely encumbered in July rather than showing as expenditures only at the time of payment resulting in the year over year variance. We expect this variance to decrease over the course of the fiscal year as the outside legal services are utilized. The fiscal year 2015-16 budget includes a 5.2% increase over fiscal year 2014-15 actuals. General fund criminal justice expenditures for fiscal year 2014-15 were lower than the previous four years.

General fund transportation expenditures through October 2015 are 58.3% lower than the same period in the prior year. Fiscal year 2014-15 included a similar allocation which accounts for the majority of the general fund transportation year over year expenditure reduction.
