I. RFP PROCESS

A. Introduction

The City of Phoenix (City), through its Community and Economic Development Department (CEDD), invites sealed proposals for the disposition and redevelopment of the parcel located at 814 N. 5th Avenue in downtown Phoenix (Site). A Site Map is included in this RFP as Attachment E.

This RFP seeks market-viable development proposals that: 1) make the best use of the Site; 2) are consistent with the City Council-approved Downtown Phoenix: A Strategic Vision and Blue Print for the Future (Downtown Strategic Plan) and Progress Update; and 3) contribute to the creation of a dense, vibrant, urban mixed-use area that is the center for commerce and urban living.

By inviting this disposition, the City seeks to further implement its Downtown Strategic Plan by maximizing the return on the $4.6 billion in public and private capital that has been invested in downtown Phoenix over the past decade; and maximize revenue and return to the City.

Downtown Phoenix is the financial, government and legal center of Arizona and home to the 3 largest banks in the state, as well as the Arizona State University Downtown Campus. The Downtown Core has more than 8 million square feet (SF) of private office space, most of which is located a few short blocks from Valley Metro Light Rail stations. Currently, approximately 61,500 employees in more than 4,000 businesses exist in the Downtown area. The Downtown Core has experienced significant renewal over the last decade, including a multifamily market that has expanded significantly as people seek to live in urban environments. A broader description of Phoenix and Downtown Phoenix, including major employment, government, biomedical research, retail, entertainment, hospitality and residential uses, as well as recent development activity is posted on the City’s website.

B. Proposal Requirements

The following proposal requirements are non-negotiable. Proposals that do not meet these requirements will be deemed non-responsive and disqualified.

1. The proposer must be authorized to transact business in Arizona and be in good standing at the time its proposal is submitted.

2. The minimum purchase price for the Site is $245,000.

C. Pre-Proposal Meeting and Site Tour

Proposers are strongly encouraged to attend the pre-proposal meeting at the date and time listed on page 1 in the 20th Floor East Conference Room at Phoenix City Hall, 200 West Washington Street. The purpose of this meeting is to review this
RFP and respond to questions. Proposers may attend the pre-proposal meeting in person or via teleconference. To register for this meeting, please email procurement.request.ced@phoenix.gov.

The pre-proposal meeting will be followed by Site tour. This will be the only opportunity for proposers to access the Site during the RFP process.

D. Proposer Questions and Notification

Proposers are advised to read this RFP in its entirety. Failure to read and/or understand any portion of this RFP shall not be cause for waiver of any portion of the RFP or subsequent agreement.

All questions about this RFP must be submitted in writing no later than the deadline listed on page 1 to procurement.request.ced@phoenix.gov. Please list the name of this RFP in the subject line when submitting questions. All written questions will be responded to in writing and posted at phoenix.gov/solicitations/1075.

E. Changes to the RFP

Changes to this RFP will be in writing as an addendum and posted at phoenix.gov/solicitations/1075. The City shall not be responsible for any oral instructions given by any City employee, consultant, or official regarding RFP instruction, specifications, or documents.

Although registered pre-proposal meeting attendees, and potential proposers who request such notification in writing, will be notified by email when documents related to this RFP are available at phoenix.gov/solicitations/1075, proposers are responsible for obtaining any and all information posted on the website.

F. Proposal Guarantee

Each proposal must be accompanied by a $10,000 proposal guarantee in the form of a cashier’s check, payable without condition or restrictive endorsement, to the City of Phoenix. Each proposer’s proposal guarantee must be submitted in a separate sealed envelope along with the proposal. Proposal guarantees of unsuccessful proposers will be returned via registered mail, without interest, immediately after the business opportunity has been formally awarded by the Phoenix City Council or after all proposals are rejected. An unsuccessful proposer may request the return of its proposal guarantee after the award recommendation has been posted; however, any unsuccessful proposer making such a request will be removed from further consideration for award of the contract resulting from this RFP.

The successful proposer’s proposal guarantee becomes non-refundable upon Phoenix City Council approval of the business terms of its proposal. The successful proposer’s proposal guarantee will be credited to the purchase price,
II. BUSINESS OPPORTUNITY

A. Site Description

This Site provides an opportunity for proposers to design and construct an infill development in the downtown Historic Roosevelt Neighborhood, which has experienced a resurgence of urban living and vitality. Key strengths of the Site include its location, its proximity to light rail, and an opportunity to add a new development in an emerging urban residential market. The Site is comprised of Assessor's Parcel Number (APN) 111-39-121 and totals approximately 7,000 SF or approximately 0.16 acres.

1. Zoning

The Site is zoned Downtown Code – Roosevelt South Character Area Historic Preservation (Chapter 12, Section 1219 of the Phoenix Zoning Ordinance, posted at codepublishing.com/az/phoenix/). The intent of the Downtown Code is to provide a physical environment necessary to create a pedestrian-oriented, dynamic urban center with an authentic sense of place. The intent of the Roosevelt South Character Area is to serve as a gateway to the historic Roosevelt North Character Area and as an oasis for pedestrians from adjacent high-rise and high-density areas. The Roosevelt South Character Area is a mixed-use neighborhood that has retained its residential character. Adaptive re-use of older and historic homes is beginning to provide distinctive shopping and dining along tree-lined streets creating a highly desirable, walkable neighborhood.

2. Utilities

The Site is served by City water and sewer, Southwest Gas (natural gas) and Arizona Public Service (electric power). Information regarding the Site’s utility infrastructure for City services is provided below.

a. Water
   - Existing infrastructure
     - 12” line in 5th Avenue

b. Sewer
   - Existing infrastructure
     - 8” line in the alley west of the Site
     - 4” sewer tap
     - If proposed use is not a single-family home on a single lot, sewer service must be increased to at least 6”
B. **Appraisal**

The appraised market value of the Site, as of April 12, 2017, is $245,000. The appraisal is available at phoenix.gov/solicitations/1075.

C. **Surrounding Area**

The Site is in the Historic Roosevelt Neighborhood, a predominately residential downtown neighborhood with a unique mix of historic single-family residences, live/work properties and small-scale office uses. The neighborhood’s general boundaries are McDowell Road, Fillmore Street, Central and Seventh Avenues. The neighborhood dates to an era between 1893 and 1930 and is the first downtown Phoenix neighborhood to receive historic distinction. The Historic Roosevelt Neighborhood was designed in the typical streetcar style of its time, with period revival and bungalow homes, many of which remain residences with an aesthetic that is true to its original design. Many homes have been converted to businesses, mostly law firms, non-profits, small-scale offices, and restaurants.

Just north of the Site is Roosevelt Row, the main arts corridor of the Roosevelt Row Arts District, a prominent arts and culture district unique to downtown Phoenix, with a mix of local businesses, shops and galleries, that hosts the popular First Friday events. Additional amenities near the Site include access to light rail, Interstate 10, Burton Barr Central Library, and Margaret T. Hance Park. The area’s primary neighborhood organization is the Roosevelt Action Association.

Existing uses in the immediate vicinity of the Site include:

- **North** – Coffee shop;
- **East** – Fifth Avenue, multifamily residential;
- **South** – Parking lot; and
- **West** – Alley, multi-family residential.

D. **Historic Preservation Context**

As part of the Roosevelt South Character Area, the Site is subject to historic designation requirements. Proposers must follow all Historic Preservation Office (HPO) guidelines and requirements regarding the design review process. Additional historic preservation information is available at http://phoenix.gov/pdd/historic/historicservices/index.html.

E. **Transit-Oriented Development Design**

Valley Metro, a regional transit agency, manages 2 distinct transit systems: Regional Public Transportation Authority (RPTA) and Valley Metro Rail. The Site is served by both light rail (the Roosevelt Arts District Light Rail Station is approximately a 10-minute walk from the Site) and bus service (stops are located along 7th Avenue and Fillmore Street).
The incorporation of transit-oriented development (TOD) design elements is required through the regulations in the Downtown Code. In general, TOD means ensuring access to and from transit is walkable and accessible through an environment that is human-scaled. TOD provides a mix of compatible and complementary land uses that facilitate transit ridership and provide streets that have a high level of connectivity with small blocks and with buildings and uses that cater to pedestrians.

F. Desired Project

This Section details the “Desired Project” that will result from a successful proposal and lists specific considerations that should be addressed in proposals. Proposers should review all referenced materials.

The Desired Project should:

1. Create an appropriate project in downtown Phoenix that capitalizes on its prominent urban location. The innovative design should create functional and appropriate transitions to buildings adjacent to the Site. Ideally, the project will provide owner-occupied residential development; however, the City will consider other types of appropriate development proposals.

2. If residential in nature, consider a variety of dwelling unit types to attract a range of household income brackets as well as additional uses including retail, commercial, or other community amenities.

3. Create enhanced pedestrian-oriented amenities promoting walkability, with pedestrian links and bicycle facilities. TOD concepts should be a focus, assuring the proposed development provides a mix of compatible and complementary land uses that facilitate urban living, and may include office, retail, restaurant, residential, civic space or other compatible urban uses.

4. Be consistent with the Downtown Strategic Plan and Update referenced in Section II, the Downtown Code, and all other applicable regulations, guidelines and adopted plans, including the Complete Streets Program, the Bicycle Master Plan, the Tree and Shade Master Plan, the Accessibility Requirements for Residential Occupancies Guideline and the goals identified in The Roosevelt Neighborhood Special District Plan.

5. Provide tangible public benefits, beyond the purchase price, which may include one or more of the following if the project is not owner-occupied residential: net new jobs, business opportunities, bike racks, pet-friendly spaces, retail uses, and/or public art.

6. Be initiated and completed within a reasonable time period acceptable to the City. It is the City’s desire that the proposed development be completed in the shortest timeframe possible.
7. Incorporates and implements elements of sustainability into the design, construction, and maintenance of the proposed project. A wide range of sustainability programs and concepts can be found at phoenix.gov/sustainability and new development sustainability-related design elements are outlined in the Downtown Code, Sections 1223-1224.

8. Aligns with the goals of the downtown community and adjacent neighborhoods. There are several neighborhood and community organizations in downtown Phoenix. A list of active neighborhood and community groups is available online at http://jphxprd.phoenix.gov/NSDAassoc/search-alpha-init.do.

9. Requests minimal, if any, City assistance and provides maximum return to the City. The City may select to participate in projects that create a significant amount of public benefit, such as public infrastructure above and beyond what would be necessary for the proposed project. Currently there is no identified or guaranteed City funding for this project.

IV. PROPOSAL EVALUATION

CEDD will perform an administrative review of proposals for responsiveness. This review will focus on accurate and complete submission of proposals based on the RFP requirements. CEDD reserves the sole right to determine the responsiveness of proposals.

A. Evaluation Panel

If applicable, the CEDD Director will appoint an evaluation panel to review the proposals and recommend a proposer to be awarded the agreement resulting from this RFP. The CEDD Director may accept this recommendation and forward it to the Phoenix City Council or reject it.

The evaluation panel may interview all the proposers or a short list of proposers, or the evaluation panel may evaluate the proposals solely on the materials submitted by the proposal deadline. If a short list process is used, the evaluation panel will use the evaluation criteria established in this RFP to identify the proposers most likely to be successful in the evaluation process. The short-listed proposers may then be scheduled for interviews with the evaluation panel. If interviews are conducted, the evaluation panel may consider information from the interviews that clarifies the materials submitted.

The evaluation panel will determine a consensus score for each evaluation criterion, which will then be added together to determine a total consensus score for each proposal.

B. Evaluation Criteria

1. Concept to Activate the Site (0-375 points)
2. Financial Return to the City (0-325 points)
3. Qualifications & Experience of Proposer (0-300 points)
V. GENERAL TERMS AND CONDITIONS OF PROPOSAL

A. Transparency Policy

Commencing on the date and time this RFP is published, potential or actual proposers including their representatives, employees, agents, proposed partners, subcontractors, joint venturers, members, or any of their lobbyists and attorneys (collectively for this Section V (A) only, the proposer), shall only discuss matters associated with this solicitation with the Mayor, any members of City Council, the City Manager, any Deputy City Manager, or any department director directly associated with the solicitation (including in each case their assigned staff, except for the designated Procurement Officer) at a public meeting, posted under Arizona Statutes, until the resulting agreement is awarded or all proposals are rejected and the solicitation is cancelled without any announcement by the Procurement Officer of the City’s intent to reissue the same or similar solicitation. As long as the solicitation is not discussed, proposers may continue to conduct business unrelated to this solicitation with the City.

A proposer may discuss its proposal or this RFP with the Mayor and/or one or more members of the Phoenix City Council, provided such meetings are: 1) scheduled through the Procurement Officer identified on page 1; 2) conducted in person at 200 West Washington, Phoenix, Arizona, 85003; and 3) are posted as open meetings with the City Clerk at least 24 hours prior to the scheduled meetings. The City Clerk will be responsible for posting the meetings. The posted notice shall identify the participants and the subject matter, as well as invite the public to participate.

With respect to the selection of the successful proposer, the City Manager and/or City Manager’s Office will continue the past practice of exerting no undue influence on the process. In all solicitations of bids and proposals, any direction on the selection from the City Manager and/or City Manager’s Office and Department Head (or representative) to the evaluation panel or selecting authority must be provided in writing to all prospective proposers.

This policy is intended to create a level playing field for all proposers, assure agreements are awarded in public, and protect the integrity of the selection process.

“To discuss” means any contact by a proposer, regardless of whether the City responds to the contact. The City interprets the policy as continuing through a cancellation of a solicitation until City Council award of the contract, as long as the City cancels with a statement that the City will reissue the solicitation. Proposers that violate this policy shall be disqualified.

B. Materials Submitted

All materials submitted by proposers shall become the property of the City and
become a matter of public record available for review pursuant to Arizona law. Each proposer shall mark any information submitted as part of its proposal that the proposer deems confidential or proprietary (collectively Confidential Information). If the City receives a request to review or disclose such Confidential Information, the City will provide the proposer written notice of the request to allow the proposer the opportunity to obtain a court order to prevent the disclosure or review of such Confidential Information. The proposer must obtain and deliver to the Procurement Officer a court order within seven calendar days of the date of the City’s written notice. If no court order is issued and received by the Procurement Officer within the seven-day period, the City may disclose or allow the review of such Confidential Information. If a proposer intends to seek a Court Order to shield its Confidential Information, the protest period will be extended the same number of calendar days to allow for this process.

C. Award Recommendation

On the day the City posts the award recommendation at phoenix.gov/finance/businessopportunities/bid-awards-and-recommendations, the procurement file for this RFP will be available for proposers and the public to review. The procurement file consists of all proposals, the RFP and all addenda, advertising documents, agendas, meeting minutes, presentations (if any), signed conflict of interest statements by evaluation panel members, and evaluation panel consensus scoring.

D. Negotiations

Once the award recommendation has been posted, the City may negotiate business terms with a proposer. The Procurement Officer will provide the recommended proposer with written authorization to negotiate with specific City staff. Communication between the recommended proposer and any City staff or City officials not authorized by the Procurement Officer will still be subject to the Transparency Policy listed in Section V (A).

The commencement of negotiations does not commit the City to accept all the terms of the proposal and negotiations may be terminated by the City at any time. These negotiations may result in minor or material changes to the proposal, including both the business terms and the project. Successful negotiations will result in an award recommendation to the City Council and a “Letter of Intent” stating the City’s intent to enter a contract with the recommended proposer on specified business terms. Following required approvals, City-drafted contracts addressing business terms and performance benchmarks will be entered between the parties.

City staff alone shall be responsible for negotiating business terms with recommended proposers. The City reserves the right to reject, in whole or in part, any or all proposals. The terms and conditions of any contract resulting from this RFP process are subject to approval by the Phoenix City Council.
E. Community Involvement

The recommended proposer must seek community input as needed and make reasonable efforts to address, incorporate or respond to community input.

F. City’s Reservation of Rights

The City reserves the right to take any course of action the City deems appropriate at the City's sole and absolute discretion, which may include:

1. Waiving any defects or informalities in any proposal or proposing procedure;
2. Accepting or rejecting any or all proposals or any part of any or all proposals;
3. Canceling the RFP in part or in its entirety;
4. Reissuing the RFP with or without modification;
5. Negotiating with any qualified proposer;
6. Extending the deadline for proposals; and/or
7. Requesting additional information from any or all proposers.

G. City’s Right to Disqualify for Conflict of Interest

The City reserves the right to disqualify any proposer that fails to provide information or data requested herein or that provides materially inaccurate or misleading information or data. The City reserves the right to disqualify any proposer on the basis of any real or apparent conflict of interest that is disclosed by the proposals submitted or any other data available to the City. This disqualification is at the sole discretion of the City. By submission of a proposal hereunder, the proposer waives any right to object now or at any future time, before any body or agency, including but not limited to, the City Council, or any court, as to the exercise by the City of such right to disqualify or as to any disqualification by reason of real or apparent conflict of interest determined by the City.

Additionally, any proposer or any member or affiliate of a proposing team that currently contracts with the City must be in good standing for its proposal to be considered responsive. For the purpose of this RFP, good standing refers to compliance with all contractual provisions, including payment of financial obligations.

H. Preparation Costs

Under no circumstance will the City be responsible for any costs incurred by anyone in: 1) responding to this RFP; 2) in any subsequent follow up to the proposal; or 3) in any subsequent negotiations of a contract.

I. Additional Investigations

The City reserves the right to make such additional investigations as it deems necessary to establish the competence and financial stability of any proposer
submitting a proposal, including, without limitation, information provided by former employees and/or creditors.

J. **Proposer Certification and Affidavit**

By submitting a proposal, each proposer certifies it has not paid or agreed to pay any fee or commission, or any other item of value contingent on the award of a contract to any employee, official or current contracting consultant of the City. Any proposer unable to comply with any required certifications may be disqualified.

In compliance with Arizona Revised Statutes §§ 1-501 and -502, the City shall require any successful proposer that submits its proposal as a sole proprietorship or as an individual to complete the **Affidavit of Lawful Presence** prior to the award of any contract resulting from this process.

K. **Covenant Against Contingent Fees Paid to Proposer**

By submitting a proposal, the proposer certifies it has not employed or retained any person or company, other than a member of its proposed team or a bona fide employee working solely for the proposer, to solicit or secure the contract described in this RFP, and that no contract has been made to pay the proposer or any member of its team any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from the award or execution of such contract. For breach or violation of this certification, the City shall have the right to annul any contract entered into with a proposer as result of this RFP without liability, or in its discretion to deduct the contract price or consideration, or otherwise, recover the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

L. **No Gratuities**

Proposers shall not offer any gratuities, favors, or anything of monetary value to any official or employee of the City nor its advisors for the purposes of influencing this selection. Any attempt to influence the selection process by any means, other than disclosure of qualifications and credentials through the proper channels, shall be grounds for exclusion from the selection process.

M. **Protests**

A proposer that submits a proposal that is disqualified may challenge the disqualification by filing a protest within seven calendar days of the date of the City’s notice of disqualification.

An unsuccessful proposer may challenge an award recommendation by filing a protest within seven calendar days after the award recommendation has been posted at [https://www.phoenix.gov/finance/business-opportunities/bid-awards-and-recommendations](https://www.phoenix.gov/finance/business-opportunities/bid-awards-and-recommendations). Proposers that have had their proposals disqualified may not protest an award recommendation.
All protests must be in writing, filed with the Procurement Officer listed on page one, and include all of the following:

1. Name of the RFP challenged;
2. Name, address and telephone number of the protester;
3. Detailed statement of the legal and factual grounds of the protest including copies of relevant documents;
4. Form of relief requested; and
5. The signature of the protester or its legal representative.

The CEDD Director, or the Director’s designee, will not review any supplements or amendments to a proposer’s original protest or any additional protests submitted by the same proposer. The CEDD Director, or the Director’s designee, will issue a written decision within a reasonable period of the protest filing. The Procurement Officer may provide copies of the protest and the written decision to the proposer recommended for contract award.

VI. STANDARD CONTRACT PROVISIONS

The submission of a proposal in response to this RFP constitutes the agreement of the proposer that any contract resulting from this RFP will be prepared by the City. The submission of a proposal shall further constitute the agreement of the proposer that it will not insist on the use of standard contract agreements, documents or forms, and that it waives any demand for the use of its standard agreements. Pursuant to the City Charter, the language of the contract to be executed will be drafted under the supervision of the City Attorney and shall be the controlling document.

A. Indemnification

Proposers shall indemnify, defend, save and hold harmless the City and its officers, officials, agents, and employees (hereinafter referred to as “Indemnitee”) from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys’ fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as “Claims”) for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of proposer or any of its owners, officers, directors, agents, employees or subcontractors. This indemnity includes any claim or amount arising out of or recovered under the Workers’ Compensation Law or arising out of the failure of such contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by proposers from and against any and all claims. It is agreed that the proposer will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. Incorporated into any contract resulting from this RFP will be the requirement that the proposer, at its sole cost and expense, shall and does hereby indemnify, defend and hold the City harmless from and against
any challenge, whether administrative, judicial or otherwise, by any person or entity, to the City’s execution or performance under said contract, which indemnification shall survive the expiration or earlier termination of said contract.

B. **Insurance Requirements**

The proposer shall procure and maintain until all of its obligations have been discharged, including any warranty periods under the future contracts are satisfied, insurance against claims for injury to persons or damage to property that may arise from or in connection with the performance of the work hereunder by the proposer, its agents, representatives, employees or subcontractors. ☐ The proposer and the proposer’s authorized representative are not aware of any conflict(s) of interest under City Code Section 43-34.
The proposer or the proposer’s authorized representative is aware of the following potential or actual conflict(s) of interest:

8. Notice Regarding Prohibited Interest in Contracts

Arizona Revised Statutes (A.R.S) Sections 38-501 through 38-511 and the Phoenix City Charter and Code prohibit public officers or employees, their close relatives, and any businesses they, or their relatives, own from: (1) representing before the City any person or business for compensation; (2) doing business with the City by any means other than through a formal procurement; and (3) doing business with the City without disclosing that the person has an interest in the contract. This prohibition extends to subcontracts on City contracts and also applies to parent, subsidiary, or partner businesses owned by a public officer or employee.

Although any contract in place at the time a person becomes a public officer or employee may remain in effect, the contract may not be amended, extended, modified, or changed in any manner during the officer’s or employee’s city service without following city administrative regulations.

Is the proposer or the proposer’s authorized representative aware of any fact(s) with regard to this solicitation or the resulting contract that would raise a “conflict of interest” issue under A.R.S. Sections 38-501 through 38-511?

☐ This “no-contact” provision only concludes when the contract resulting from this solicitation is awarded at a City Council meeting. If contact is required with City official or employees, the contact will take place in accordance with procedures established by the City. Violation of this prohibited contacts provision, set out in City Code Sections 2-190.4 and 43-36, as well
as in Section VI of this solicitation, by a proposer, or its agents, will lead to disqualification.

10. Fraud Prevention and Reporting Policy Acknowledgement

☐ The proposer and the proposer’s authorized representative acknowledge that the City has a Fraud Prevention and Reporting Policy and takes fraud seriously. The proposer or the proposer’s authorized representative shall report fraud, suspicion of fraud, or any other inappropriate action to the Phoenix Integrity Line at 602-261-8999 or 602-534-5500 (TDD); or via email to aud.integrity.line@phoenix.gov.

The purpose of the fraud policy is to maintain the City's high ethical standards. The policy includes a way for business partners to report wrongdoing or bad behavior.
