Further, the parties expressly acknowledge and agree to the fixed sum set forth above because of the difficulty of proving the City’s actual damages in the event that
contractor breaches this section. as of the date of this Agreement and as may, from time to time hereafter, be amended. Consultant warrants that it has the technological capability to handle Criminal Justice Information (CJI), as that term is defined by the FBI CJIS Security Policy, in the manner required by the CJIS Security Policy. Consultant expressly acknowledges that the CJIS Security Policy places restrictions and limitations on the access to, use of, and dissemination of CJI and hereby warrants that its system abides by those restrictions and limitations. Private contractors are permitted access to criminal history record information systems pursuant to a specific agreement for the purpose of providing services for the administration of criminal justice pursuant to that agreement. Private contractors who perform the administration of criminal justice shall meet the same training and certification criteria required by governmental agencies performing a similar function, and shall be subject to the same extent of audit review as are local user agencies. In accordance with the CJIS Security Addendum, a minimum of a background check (fingerprint) will be administered and required through the Arizona state and federal criminal justice system for all contracted employees who may have access to CJIS information. Background checks (fingerprints) will be performed and received with required clearance prior to receipt of any CJIS information.

21. AGREEMENT AMENDMENTS

Whenever an addition, deletion or alteration to the Services described in Exhibit C substantially changes the scope of work, thereby materially increasing or decreasing the cost of performance, a supplemental agreement must first be approved in writing by the City and Consultant before such addition, deletion or alteration shall be performed. Changes to the Services may be made and the compensation to be paid to Consultant may be adjusted by mutual agreement, but in no event may the compensation exceed the amount authorized by the Phoenix City Council for this Agreement without further authorization by the City Council. It is specifically understood and agreed that no claim for extra work done or materials furnished by Consultant will be allowed except as provided herein, nor shall Consultant do any work or furnish any materials not covered by this Agreement unless first authorized in writing by the City. Any work or materials furnished by Consultant without prior written authorization shall be at Consultant’s risk, cost and expense, and Consultant agrees to submit no claim for compensation or reimbursement for additional work done or materials furnished without prior written authorization.

Consultant shall not subcontract with any third party for any component of the Services without the prior written consent of the City. Any attempt to assign or subcontract without the City’s prior written consent shall be void.
22.2. Therefore, should such named individual(s) sever their relationship with Consultant, or otherwise be unavailable to carry out Consultant's duties under this Agreement for a period of time deemed to be excessive by the City in its sole and absolute discretion, then the City may, without notice, immediately terminate this Agreement for cause.

24. INTEGRATION:
This Agreement constitutes and embodies the full and complete understanding and agreement of the parties hereto and supersedes all prior understandings, agreements, discussions, proposals, bids, negotiations, communications, and correspondence, whether oral or written. No representation, promise, inducement, statement of intention, or variation of the terms of this Agreement has been made which is not embodied in this Agreement or a written amendment hereto signed by Consultant and the City, and no party hereto shall be bound by or liable for any agreement or representation not so set forth.

25. GOVERNING LAW; FORUM; VENUE:
This Agreement is executed and delivered in the State of Arizona, and the substantive laws of the State of Arizona (without reference to choice of law principles) shall govern the interpretation and enforcement of this Agreement and any claims or disputes relating to or arising out of this Agreement and/or the Services. Jurisdiction and venue for any action arising out of or relating to this Agreement or the Services shall lie exclusively in the state or federal courts within Maricopa County, Arizona, and each of the parties, to the extent permitted by law, consents to jurisdiction and venue in such courts for such purposes.

26. FISCAL YEAR CLAUSE:
The City's fiscal year begins July 1 and ends June 30 each calendar year. The City may make payment for services rendered or costs encumbered only during a fiscal year and for a period of 60 days immediately following the close of the fiscal year, under the provisions of Arizona Revised Statutes §42-17108. Therefore, Consultant must submit billings for services performed or costs incurred prior to the close of a fiscal year within ample time to allow payment within this 60-day period.

27. TERMINATION OR SUSPENSION OF SERVICES:
27.1. City's Right to Terminate. The City reserves the right to terminate this Agreement without cause, or to abandon the Services, or any part of the Services not then completed, by notifying Consultant in writing. Immediately upon receiving a written notice to terminate or suspend Services, Consultant shall:

- Discontinue advancing the work in progress, or such part that is described in the notice.

- Deliver to the City all collected raw data, draft reports, preliminary reports, working papers, estimates and forecasts entirely or partially completed, together with all unused materials supplied by the City.
• Appraise the work it has completed and submit its appraisal to the City for evaluation.

• In the event of a termination pursuant to this section the Consultant shall be paid in full the pro rata value for services performed to the date of its receipt of the Notice of Termination, including reimbursement for all reasonable costs and expenses incurred by Consultant in terminating the work, including demobilization of field service. No payment shall be made for loss of anticipated profits or unperformed services. The City shall have no liability for lost profits or other damages suffered by Consultant as a result of a termination pursuant to this section.

27.2. Final Payment. The City shall make final payment for all Services performed and accepted within sixty (60) days after Consultant has delivered to the City any final progress reports, documentation, materials and evidence of costs and disbursement as required under this Agreement.

27.3. Temporary Suspension. The City may, by written notice, direct Consultant to suspend performance on all or any part of the Services for such period of time as may be determined by the City to be necessary or desirable for its convenience. If such suspension causes additional expense to Consultant in performance, and such additional expense is not due to fault or negligence of Consultant, the payment will be adjusted on the basis of actual costs resulting directly from the suspension, and the period for performance of the Services will be extended by mutual agreement. Any claim by Consultant for a price adjustment must be supported by appropriate documentation asserted promptly after Consultant has been notified to suspend performance.

28. PROFESSIONAL COMPETENCY:

28.1. Qualifications. Consultant represents that it is familiar with the nature and extent of this Agreement, the Services, and any conditions that may affect its performance under this Agreement. Consultant further represents that it is fully experienced and properly qualified with respect to the Services; is in compliance with all applicable law and license requirements; and is adequately equipped, organized, and financed to perform the Services.

28.2. Level of Care and Skill. Services provided by Consultant will be performed in a manner consistent with that level of care and skill ordinarily exercised by members of Consultant's profession currently practicing in the same industry under similar conditions. Acceptance or approval by the City of Consultant's work shall in no way relieve Consultant of liability to the City for damages arising from the failure of Consultant to adhere to the aforesaid standard of professional competence.
28.3. **Conflict of Interest OR DELETE.** Except for the Scope of Work described herein, Consultant shall be prohibited from submitting any bid or proposal on any of the contracting opportunities arising from the Scope of Work. In addition, Consultant shall not have any pecuniary or proprietary interest in any agreement for which Consultant is performing services for the City under this Agreement. Consultant shall refrain from engaging in or carrying on any activity on behalf of any client which is in any way directly averse to the City or its interests without the specific written consent and waiver of the City. Such waiver normally requires the concurrence of City management and the Phoenix City Council. A waiver of conflict of interest may be considered by the City when different personnel within the Consultant’s firm are undertaking the concurrent representations and the firm takes sufficient steps to ensure confidentiality.

29. **SPECIFIC PERFORMANCE:**
Consultant agrees that, in the event of a breach by Consultant of any material provision of this Agreement, the City shall, upon proper action instituted by it, be entitled to a decree of specific performance thereof according to the terms of this Agreement. In the event the City shall elect to treat any such breach on the part of Consultant as a discharge of the Agreement, the City may nevertheless maintain an action to recover damages arising out of such breach. This paragraph is not intended as a limitation of such other remedies as may be available to the City under law or equity.

30. **FORCE MAJEURE:**
Consultant shall not be responsible or liable for, or deemed in breach hereof because of, any delay in the performance of its obligations hereunder to the extent caused by circumstances beyond its control, without its fault or negligence, and that could not have been prevented by the exercise of due diligence, including but not limited to fires, natural disasters, riots, wars, unavoidable and unforeseeable site conditions, failure of the City to provide data within the City’s possession or to make necessary decisions or provide necessary comments in connection with any required reports prepared by Consultant in connection with the Services, and the unforeseeable inability to obtain necessary site access, authorization, permits, licenses, certifications and approvals (such causes hereafter referred to as "Force Majeure").

The City shall further have the right to reproduce the Deliverables to the extent reasonably necessary for such purposes. The City shall not, without the Consultant’s prior written consent, transfer or sub-license its foregoing license rights (except to a wholly-owned subsidiary of the City) or reverse engineer, decompile, or otherwise attempt to derive source code from the Deliverables.
31.3. **Intellectual Property Rights.** The Contractor hereby irrevocably transfers, conveys, and assigns to the City all right, title, and interest (including any and all copyrights) in the software, application(s), or similar technology to be created for the City pursuant to this agreement (collectively, the “Deliverables”). The City shall have the exclusive right to apply for or register any copyrights and other proprietary protections with respect to the Deliverables. The Contractor shall execute such documents, render such assistance, and take such other action as the City may reasonably request, at the City’s reasonable expense, to apply for, register, perfect, confirm, and protect the City’s foregoing ownership interests and copyright and other proprietary protections. To the extent that the foregoing transfer does not provide the City with full ownership, right, title, and interest in and to the Deliverables, the Contractor hereby grants the City a perpetual, irrevocable, fully paid, royalty-free, worldwide license to reproduce, create derivative works from, distribute, publicly display, publicly perform, and use the Deliverables, with the right to transfer and/or sublicense each and every such right. The rights granted in this section will survive any termination or expiration of this Agreement.

31.4. **Intellectual Property Rights.** The Contractor hereby irrevocably transfers, conveys, and assigns to the City all right, title, and interest (including any and all copyrights) in any software and other technology assets created pursuant to or as a result of this Agreement (collectively, the “Work Product”). The City shall have the exclusive right to apply for or register any copyrights and other proprietary protections with respect to the Work Product. The Contractor shall execute such documents, render such assistance, and take such other action as the City may reasonably request, at the City’s reasonable expense, to apply for, register, perfect, confirm, and protect the City’s foregoing ownership interests and copyright and other
proprietary protections. To the extent that the foregoing transfer does not provide the City with full ownership, right, title, and interest in and to the Work Product, the Contractor hereby grants the City a perpetual, irrevocable, fully paid, royalty-free, worldwide license to reproduce, create derivative works from, distribute, publicly display, publicly perform, and use the Work Product, with the right to transfer and/or sublicense each and every such right. The rights granted in this section will survive any termination or expiration of this Agreement.

31.5. Intellectual Property Indemnification. In addition to the indemnification provided for elsewhere in this Agreement, Consultant agrees to defend, at its own expense, and to indemnify and hold harmless the City and its officers, agents, and employees from and against all judgments, claims, damages, suits, liabilities, settlements, costs and demands, including reasonable attorneys’ fees, suffered or incurred by the City as a result of any claim that the Deliverables infringe the patents, copyrights, or other intellectual property rights of third parties, provided that Consultant is notified in writing of such claim. The City will reasonably cooperate with Consultant, at Consultant’s expense, to facilitate the settlement or defense of such claim. Without limiting in any way the Consultant obligations set forth herein, if, as a result of any claim of infringement by Consultant, the City is enjoined from using the Deliverables provided under this Agreement, or if Consultant reasonably believes that the Deliverables are likely to become the subject of a claim of infringement, Consultant may, at Consultant’s option and expense, (1) procure the right for the City to continue to use the Deliverables, or (2) replace or modify the Deliverables so as to make them non-infringing and of equal or superior functional and capability for the purpose for which the Deliverable was provided.

31.6. Limitation of Liability. CITY WILL NOT BE LIABLE TO CONSULTANT OR ANY OTHER PARTY FOR ANY LOSS OF USE, INTERRUPTION OF BUSINESS OR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES OF ANY KIND (INCLUDING LOST PROFITS), REGARDLESS OF THE FORM OF ACTION WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT PRODUCT LIABILITY OR OTHERWISE, EVEN IF CONSULTANT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. The foregoing limitation of liability is independent of any exclusive remedies for breach of warranty set forth in this Agreement.

31.7. Document Delivery. All documents, together with all unused materials supplied by the City, are to be delivered to the City upon completion or termination of this Agreement before the final payment is made to Consultant.
All documents prepared by Consultant shall be prepared in a format and at a quality approved by the City.

Consultant shall review all documents provided by the City related to the performance of the Services and shall promptly notify the City of any defects or deficiencies discovered in such review.

Consultant shall provide timely and periodic submittals of all documents required of Consultant, including sub-agreements, if any, as such become available to the City for review.

31.8. Reservation. Nothing in this Agreement shall be interpreted to give either party any rights whatsoever to any Intellectual Property of the other not conceived, created, developed, or reduced to practice pursuant to this Agreement or a related subcontract.

31.9. Warranty Against Infringement. Consultant warrants that the Deliverables will be free of the rightful claim of any third party for or by way of infringement or misappropriation of patent, copyright, trade secret, trademark or other rights arising under the laws of the United States. Consultant further warrants that no act or omission of Consultant will result in a third party holding a claim that interferes with the City’s enjoyment or use of the Deliverables.

Consultant warrants that it owns or possesses all rights, title and licenses necessary to perform its obligations hereunder.

Consultant warrants that, as of the Effective Date and throughout the Term, Consultant has not conveyed any rights or licenses to any third party regarding the Deliverables.

31.10. Warranty on Deliverables. Consultant warrants the Deliverables (including hardware, electrical, electronic, mechanical, and all other system components, including installation, but excluding software), for a period of one (1) year starting with the date of final system acceptance (the “Warranty Period”), to be substantially free of any condition which would make the system fail to perform other than in material accordance with the requirements set forth in this Agreement (each such condition to be considered an “Error”). Consultant specifically warrants that all software (also a Deliverable) shall be free of any condition which could make it fail to perform other than in material accordance with the specifications (each such condition to be considered an “Error”) for a period of 9 months after actual installation of the software. If the City reports to Consultant any Errors in the system during the Warranty Period, then Consultant shall, at its expense, use reasonable commercial efforts to modify or replace the faulty hardware, software, electrical component or other system feature as quickly
as reasonably practicable. Where possible, both parties shall attempt to resolve Errors through telephone instruction, issuance of updated documentation, corrective code, or hardware replacement or modification.

31.11. Maintenance. A violation of this Section may result in immediate termination of this Agreement without notice.

This Agreement is subject to the requirements of Arizona Revised Statutes §38-511.

34. **CLAIMS OR DEMANDS AGAINST THE CITY:**

If for any reason it is determined that the City Charter and state law conflict, then state law shall control.

Moreover, nothing in this Agreement shall constitute a dispute resolution process, an administrative claims process, or contractual term as used in Arizona Revised Statutes § 12-821.01(C), sufficient to affect the date on which the cause of action accrues within Arizona Revised Statutes § 12-821.01(A) and (B).

42.4. **Parole Evidence.** This Agreement is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms of this Agreement. No course of prior dealings between the parties and no usage in the trade shall be relevant to supplement or explain any term used in this Agreement. 43. **NON-EXCLUSIVITY; AGREEMENT CHANGES:**

43.1. **Non-Exclusive Contract.** Any Agreement resulting from this solicitation shall be awarded with the understanding and agreement that it is for the sole convenience of the City of Phoenix. The City reserves the right to obtain like goods or services from another source when necessary.

43.2. **Authorized Changes.** The City reserves the right at any time to make changes in any one or more of the following: a) specifications; or b) implementation schedule. If the change causes an increase or decrease in
the cost of or the time required for performance, an equitable adjustment may be made in the price or delivery schedule, or both. Any claim for adjustment shall be deemed waived unless asserted in writing within thirty (30) days from the receipt of the change. Price increases or extensions of delivery time shall not be binding on the City unless evidenced in writing and approved by the Department Director prior to the institution of the change. Notwithstanding the foregoing, if any price increase contemplated herein would cause the total amount payable by the City under this Agreement to exceed the amount authorized by the Phoenix City Council, City Council approval will be required to authorize any such price increase.

44.4. Professional Responsibility. Consultant shall use those efforts which a skilled, competent, experienced, and prudent person or organization would use to perform and complete the requirements of this Agreement in a timely manner conforming to the standards and quality generally recognized and accepted within the profession throughout the United States.

45. CITY’S CONTRACTUAL RIGHTS:

45.1. Right to Assurance. Whenever one party to this Agreement in good faith has reason to question the other party’s intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. In the event that a demand is made and no written assurance is given within five days, the demanding party may treat this failure as an anticipatory repudiation of this Agreement.
