Phoenix, AZ 85003

Effective September 30, 2019, at 5 p.m. MST, the City of Phoenix Housing Department will close the Public Housing Waiting List for the Luke Krohn & Sidney P. Osborn Public Housing Community. No applications will be accepted for any bedroom size after October 3, 2019. The closure will not affect anyone who applies to reside at the community before October 3, 2019.

The closure is necessary due to the current waiting period exceeding 12 months and the redevelopment of the property.

U.S. Department of Housing and Urban Development (HUD) regulations do not require a public hearing when opening and closing the Waiting List. Therefore, public notice will be provided as stated in the prevailing Admissions and Continuing Occupancy Policy (ACOP).
