

IMPORTANT NOTICE

December 9, 2022

Dear Housing Program Residents:

Please be advised effective **October 1, 2022**, The U.S. Department of Housing and Urban Development (HUD) changed its fair market rents, which requires the City to make a change. The City of Phoenix Housing Department will increase its **FLAT RENT**. If you are currently paying a Flat Rent and are receiving this notice, your new Flat Rent will increase or decrease to the following amounts when your current lease term expires, but no earlier than January 1, 2023

Final Phoenix FY 2022/2023 Flat Rents by Unit Bedrooms					
Studio	One	Two	Three	Four	Five
\$1,344	\$1,467	\$1,740	\$2,386	\$2,716	\$3,028

These rates are based on the Final FY 2022 Fair Market Rent as established by HUD regulations for the Phoenix-Mesa-Scottsdale, AZ metropolitan statistical area.

If you are currently on an income-based rent (30% of your income), this change will not affect you. If the new Flat Rent exceeds what would be your income-based rent, you will have the option to switch to income-based rent.

Please be aware that the HUD regulations do not allow the City to pay any utility reimbursement if a family pays a flat rent.
