Retiree Authorization to Deduct Medicare Supplement and/or Pharmacy Premiums

Allowing the City of Phoenix to coordinate with UHC for your AARP/UHC Medicare supplement enrollment will provide you and/or your spouse (based on Medicare eligibility) to receive a 7% discount and a \$30.00 Qualified City Contribution (\$90.00 for Unit 5 Fire Retirees) with the convenience of paying the remaining premium via your pension.

Additionally, the City of Phoenix can coordinate with UHC to enable a pension deduction for your AARP/UHC pharmacy premium (MedicareRx Preferred, MedicareRx Saver Plus, and MedicareRx Walgreens) through this authorization if indicated below.
