

2023 Healthy Youth Relationships Social Media Contest

1st Place - \$300
2nd Place - \$200
3rd Place - \$100

1 in 3 U.S. teens will experience abuse from someone they are in a relationship with before they become adults. Help us bring awareness to this important issue during February's Teen Dating Violence Awareness Month (TDVAM). This year's theme encourages us to not just talk about it but to also **Be About It!**

Create a short video or graphic design encouraging one another to **Be About educating, engaging or empowering one another to create a world free from relationship abuse.**
