

Eligibility Requirements

Lead Safe Phoenix is a program funded by a grant from the U. S. Department of Housing and Urban Development (HUD). Although there is no cost to participate in the program, the following eligibility requirements must be met:

- Applicants must live in a home constructed prior to 1978.
- There must be a child less than six years of age or a pregnant woman living in the home, or there must be a child less than six years of age who spends a significant amount of time in the home (as defined by HUD).
- The home must be in one of the zip codes identified as being at high-risk for lead poisoning.

Our Target Areas by Zip Code (Phoenix, AZ)								
85003	85004	85006	85007	85008	85009	85012	85013	85014
85015	85016	85017	85018	85019	85020	85021	85031	85033
85034	85035	85040	85041	85042	85043	85051		

- The members of the household must meet low income guidelines, as determined by the federal government.

Low Income: 80% AMI	Number of Persons in Family (Phoenix, AZ)							
	1	2	3	4	5	6	7	8
2018 Federal Income Limit	\$38,750	\$44,250	\$49,800	\$55,300	\$59,750	\$64,150	\$68,600	\$73,000

Lead Safe Phoenix is open to owner occupied housing, rental housing, and multifamily rental housing. For rental housing, eligibility requirements must be met by the renter(s) and both the landlord and the renter(s) must submit applications.

To apply for the **Lead Safe Phoenix** program, select the appropriate application materials:
