2020 Neighborhood Associations

Be in the Know - List your Organization

Looking to connect with the City about neighborhood cleanups, services and community news? The Neighborhood Notification listing is a vital tool utilized by the city of Phoenix to communicate with neighborhood organizations about city-sponsored events and workshops, grant opportunities, public meetings and initiatives, requests for community input on various projects and more. Existing organizations can update information via email: NNET.nsd@phoenix.gov or phone: 602-534-4444, option 4. To learn more about listing a new neighborhood organization visit us at www.phoenix.gov/nsd/programs/neighborhood-coordination.

Protecting Your Packages

Be Aware of Porch Pirates

The holiday purchasing season is upon us, and many of us will no doubt be doing holiday shopping online. Keep your deliveries safe from porch pirates that roam neighborhoods to steal your packages. The following tips will help prevent package theft from your porch:

- ◆ Have your package delivered to a neighbor who will be home.
- ◆ Have your package delivered to your local post office for pickup.
- ◆ Take advantage of the "Ship to Store" option that many stores offer.
- ◆ Some orders can be shipped to "lockers" that allow you to pick up your package from a secure location in your community.
- ◆ Request that your package require signature confirmation upon delivery.

Be mindful this holiday season and don't be a victim to porch piracy. Remember, if you see something - say something - call Crime Stop at 602.262.6151.

Shopping locally strengthens your community! Find Phoenix shops at:
