OFFICE OF ENVIRONMENTAL PROGRAMS

THE FUTURE OF PHOENIX

WATER AND CLIMATE

JUNE 17TH | 5:00 - 6:30PM

AT THIS WORKSHOP YOU CAN:

- Learn about our Climate Action Plan and its goals
- Hear from the Water Services Department
- Learn about drought contingency plans and water conservation from local professionals
 - Ask our expert panel your questions about the future of water in Phoenix

AGENDA AND SPEAKERS:

- **Intro to Climate Action Plan** - Office of Environmental Programs
- **Water 101** - Troy Hayes, Director, City of Phoenix Water Services Department
- **Phoenix's Water Portfolio** - Cynthia Campbell, Water Resources Advisor
- **Breakout Room Presentations:**
 - › Drought Contingency - Sarah Porter, Director, Kyl Center at ASU
 - › Water Conservation - Warren Tenney, Executive Director of the Arizona Municipal Water Users Association (AMWUA)
- **Panelist Discussion and Questions** - The Future of Water in Phoenix Speakers as panelists

During registration, participants can choose a breakout room presentation to attend and submit questions for the panelist.
