

<b>Issue Date:</b>	January 1, 2021
<b>Code/Section:</b>	2018 IBC; Section 1103.1
<b>Developed By:</b>	Rost Sapon, Accessibility Technical Lead

All new and altered medical examination rooms shall be accessible and shall be on an accessible route. Each medical examination room shall accommodate a turning space. Where a door swings into a medical examination room, a clear floor space not less than 30" x 48" shall be provided within the room beyond the area of the door swing.

The Phoenix Building Construction Code does not regulate accessibility of medical equipment or the clear floor space for the medical equipment.

Sinks, work surfaces, or storage facilities in medical examination rooms provided for employee / staff use are not required to be accessible.

Sinks, work surfaces, and storage facilities in medical examination rooms provided for patient use shall be accessible.
